1. The decision:

- a) That B3084 Station Road/Wallop Road be reclassified as C250.
- b) That C250 Old Stockbridge Road be reclassified as B3084.

2. Reason for the decision:

- 2.1. A petition was received from residents of Over Wallop asking for the reclassification of Station Road in order to encourage through traffic to use Old Stockbridge Road instead. The proposal is in keeping with the Corporate Strategy priorities 'making Hampshire safer and more secure for all' and 'enhancing our quality of place' since it redirects through traffic between Middle Wallop and Grateley in order to use a road that has fewer residential properties along it and is of a higher standard in terms of carriageway width and alignment than the through route that is currently signed.

3. Other options considered and rejected:

- 3.1. Do nothing – the possibility of leaving the road classification unchanged was considered. However, a petition has been received from residents asking for the B3084 to be reclassified and a subsequent assessment has concluded that it is appropriate to do so.

4. Conflicts of interest:

- 4.1. Conflicts of interest declared by the decision-maker: None
- 4.2. Conflicts of interest declared by other Executive Members consulted: None

5. **Dispensation granted by the Conduct Advisory Panel:** None.
6. **Reason(s) for the matter being dealt with if urgent:** Not applicable.
