1. The decision:

- a) That the Station Travel Plan (STP) for Farnborough (Main) be adopted by Hampshire County Council and that it be used to guide the delivery of County Council transport projects in and around the station.
- b) That the Director of Economy, Transport and Environment be given delegated authority, in consultation with the Executive Member, to periodically update the adopted plan so that it can contain the latest text agreed by the relevant STP steering group.

2. Reasons for the decision:

- 2.1. Once adopted, the STP should help the key partners co-ordinate infrastructure and investment decision-making in the area surrounding the station. The key partners include Network Rail, South-West Trains, Hampshire County Council, Rushmoor Borough Council (as the local planning authority for Farnborough) and the major local bus operator.
- 2.2. The STP will also provide practical evidence to show the public how the rail industry and the local authorities are working together to facilitate travel using Farnborough station.

3. Other options considered and rejected:

- 3.1. Do nothing - Not to adopt the Station Travel Plan would demonstrate a lack of commitment to work with the rail industry and others to improve the journey experience for those travelling to, through and from Farnborough Main station.

4. Conflicts of interest:

4.1. Conflicts of interest declared by the decision-maker: None.

4.2. Conflicts of interest declared by other Executive Members consulted: None.

5. Dispensation granted by the Conduct Advisory Panel: none.

6. Reason(s) for the matter being dealt with if urgent: not applicable.

7. Statement from the Decision Maker:
