

Appendix 1 - Proposed Changes to Mobile Library Stops - August 2012

(subject the approval of the Executive Member for Culture and Recreation, changes will be implemented w/c 22 October 2012)

1) Mobile Library with an average of one or zero customers per visit - results of consultation July/August 2012

The stops listed below have on average one or fewer customers per visit. Customers, parish and town councils, drivers and the public were consulted in July/August 2012/13 to explore whether there was potential for increasing use before making the decision on whether to withdraw a stop.

highlighted stops will be retained
