Schools in the Western Area of Hampshire below the Government's new floor standards based upon 2011 outcomes

The coalition Government has set new floor standards for both primary and secondary schools and has asked Local Authorities to take a robust stance towards those schools below floor to secure rapid improvement.

A primary school is deemed to be below the floor standard if less than 60% of pupils attain Level 4 in both English and mathematics **and** where progress is less than the national median in both English **and** mathematics. The national medians are currently 87% of pupils making two levels of progress in English and 86% of pupils making two levels of progress in mathematics.

A secondary school is deemed to be below the floor standard if less than 35% of pupils attain 5A*-C including English and mathematics **and** where progress is less than the national median in both English **and** mathematics. The national medians are currently 68%% of pupils making three levels of progress in English and 61% of pupils making three levels of progress in mathematics.
