1. The decision:

- a) That Hampshire County Council make The Hampshire (Lepe Country Park) (Off Street Parking Places and Prohibition of Waiting) Order 2013 with modifications specified in the decision report.
- b) That permission be granted to advertise similar draft Orders for Manor Farm Country Park, Royal Victoria Country Park, Staunton Country Park and Queen Elizabeth Country Park.

2. Reason(s) for the decision:

- 2.1. Income from parking at its Country Parks is a crucial funding stream for the Countryside Service and is fundamental to the Service delivering its business plan. It is therefore critical to ensure that the systems and processes around the parking operation are robust, effective and efficiently managed, and provide a good quality service to our customers.

3. Other options considered and rejected:

- 3.1. Do nothing – continue charging under the current regime. This option is not viable, as the legislation covering off street parking has been amended since the last parking Orders were made. In order to continue to charge for parking and enforce penalty charge notices, we must make new orders under current legislation.
- 3.2. Cease charging for parking – Again, this is not viable. Income from parking is a vital part of the Countryside Service's income, particularly for Lepe Country Park, where revenue from parking charges makes up over 80% of its income.

4. Conflicts of interest:

4.1. Conflicts of interest declared by the decision-maker:

None.

4.2. Conflicts of interest declared by other Executive Members consulted:

None.

5. Dispensation granted by the Conduct Advisory Panel: none.

6. Reason(s) for the matter being dealt with if urgent: not applicable.
