1. The decision:

- a) That a two year contract be awarded for the Havant Call and Go service for a 'Five full day' a week service as set out in this report, with the County Council contributing towards the difference in the cost between this and the district council contributions.
- b) That approval be given for the County Council to enter into Deeds of Agreement with Havant Borough Council and East Hampshire District Council for the initial contract term and subsequently to cover any contract extensions up to 31 March 2019.

2. Reason for the decision:

- 2.1. To maintain a transport service for vulnerable users whilst responding to the reduced funding provided by funding partners.

3. Other options considered and rejected:

- 3.1. Matching the 25% budget reduction put forward by the district councils, which was rejected as this would have led to a 40% reduction in service hours with the risk of significant impact on users.

4. Conflicts of interest:

- 4.1. Conflicts of interest declared by the decision-maker: None
- 4.2. Conflicts of interest declared by other Executive Members consulted: None

5. Dispensation granted by the Conduct Advisory Panel: none.
