

HAMPSHIRE COUNTY COUNCIL**Decision Report**

Decision Maker:	Executive Lead Member for Children's Services
Date of Decision:	23 January 2013
Decision Title:	School Meal Prices from April 2013
Decision Reference:	4536
Report From:	Director of Children's Services

Contact name: Graham Ferguson, Business Manager, Children's Services

Tel: 01962 846368

Email: graham.ferguson@hants.gov.uk

1. Executive Summary

- 1.1. The purpose of this paper is to provide the information required by the Executive Lead Member for Children's Services to agree the price of school meals from April 2013.
- 1.2. This paper, like the equivalent report for 2012, provides a very brief update to the more detailed paper presented in 2011 as the recommendation is for no change.

2. Background information

- 2.1. Each year the Executive Lead Member is asked to review the price of free school meals (it does not need to be so but in Hampshire this has been taken as the price of a school meal) and consider if an increase should be applied.
- 2.2. Historically, Hampshire has applied the same price to paid meals in primary and secondary schools.
- 2.3. In Hampshire, the County Council does not subsidise the cost of school meals.
- 2.4. The school meals service provides healthy meals. Good nutrition plays a vital role in enabling pupils to perform well in school. The service also encourages the healthy eating habits which are essential to combat child obesity; the latest figures indicate that 1 in 3 children are overweight or obese by the time they leave primary school. By sourcing local ingredients wherever possible the service supports the local economic development agenda.
- 2.5. In April 2012 no increase was applied for the third successive year. This was possible in spite of the costs associated with the improved food and nutritional content of the meal and general cost pressures on catering

services because of a steady recovery in the number of pupil meals taken and the efficiency and effectiveness of the service.

Year	April 2006	April 2007	April 2008	April 2009	April 2010	April 2011	April 2012
Price	£1.70	£1.80	£1.90	£2.00	£2.00	£2.00	£2.00

3. Performance in 2012

- 3.1 In September 2011, the take up of pupils' school meals reached record high levels. By October 2011, the number of meals delivered was fully 10% higher than in October 2010. Nearly 39% of primary school pupils took an H3CS meal every day. By the end of the year in excess of 6 million meals were served in primary schools.
- 3.2 The take up of meals has continued to increase. During September/October 2012, the percentage of primary school pupils taking an H3CS rose to 41% and the total number of primary school meals served in the year is expected to reach 7 million.
- 3.3 The total numbers of H3CS meals served in schools this year is expected to reach 10 million; 7 million in primary schools and 3 million in secondary schools. H3CS provide meals to 29 secondary schools in Hampshire.
- 3.4 The increased take up of meals is coming from within existing school customers rather than an increase in the number of schools using H3CS.
- 3.5 The impact of academy programme has had little or no impact as the majority of meals are delivered to primary schools.

4. Financial Implications

- 4.1 There are no direct financial implications for 2013/14 as this is a fully charged service and the service is able to absorb the inflation pressures.

5. Recommendation

- 5.1 That the Executive Lead Member for Children's Services agrees that the price of school meals is maintained at the current level of £2.00 per meal from April 2013 for a fifth consecutive year.
