1. Executive Summary

- 1.1. The purpose of this paper is to seek approval for the recommendations contained in the exempt appendix, to ensure that the young people listed have the appropriate level of financial support in order that they can continue in representative sport and reach their full potential.
- 1.2. This paper sets out the financial details which seek to ensure that young people's progress in representative sport is not limited or restricted due to the financial circumstances of their parents or those with parental responsibilities.

2. Contextual information

- 2.1. All grant applications from individuals for revenue support have to demonstrate that they have reached a reasonable representative level (normally county standard and above). They also have to demonstrate that there is financial need (e.g. evidence of income support or working tax credits).
- 2.2. All grant applications for trophy grants must be from non-profit making organisations, such as schools sports associations which provide sporting opportunities for school-aged young people in Hampshire.
- 2.3. All applicants must demonstrate that they contribute towards the outcomes of the Children Act, Hampshire's Children and Young People's Plan, integrated service plans and priorities of the Local Area Agreements.

3. Finance

- 3.1. The Financial Assistance for Talented Young People in Sport budget is made available by the Executive Member for Policy and Resources. For the

financial year 2012/13, this is £18,500. From the £12,150 remaining in the budget, awards of £1,000 are being recommended. Details are in the attached exempt appendix.

3.2. The Michael Austin Harlick fund is held in Trust by the County Council. Mr Harlick bequeathed his estate to the County Council on the understanding that the funds would be used to celebrate the success in sport of the young people in Hampshire. Annually it is the interest only on the subsequent investments made and held by the County Council that are made available. Any under-spend is reinvested each year. Therefore the annual amount will vary but averages £14,000.

3.3. With around £5,081 remaining in the budget this year, grants totalling £4,436 are being recommended. Details are in the attached exempt appendix

4. Recommendation

4.1. That grants totalling £1,000 from the Financial Assistance to Talented Young People in Sport fund and £4,436 from the Michal Austin Harlick fund for 2012/13 be approved.
