

REPORT OF THE
Executive Member for Economy, Transport and Environment
PART II

25. PUBLIC CONSULTATION ON HIGHWAY PROPOSALS FOR NEWGATE LANE AND PEEL COMMON, FAREHAM AND WESTERN ACCESS TO GOSPORT.

1. On the 11 June 2013, the Executive Member for Economy, Transport and Environment approved the public consultation exercise for the schemes at Newgate Lane, Peel Common and a western access to Gosport. Following the decision, the consultation started on 8 July 2013.

2. The proposals aim to help address existing traffic problems on the Gosport peninsula to improve strategic east-west and north-south routes and to enhance access to the Solent Enterprise Zone.

3. The County Council is:

- seeking early views from residents and businesses on possible routes for the Stubbington bypass and related improvements,
- presenting detailed plans for the proposed improvements to the northern section of Newgate Lane between Palmerston Drive and Tanners Lane,
- asking for a view on interim measures to improve the Peel Common junction.

4. The consultation will run to 9 September 2013 and will include drop in sessions where residents can discuss the proposals with council officers. There will be information displays at local libraries, as well as information on the County Council's Stubbington Bypass website. Feedback from the public will be through questionnaires, which will be available both at the exhibitions and through the website.
