#### 1. The decision:

a) That Cabinet approves the year one report for the Supporting Troubled Families Programme in Hampshire including:

- Cabinet acknowledge the strong progress made with, and findings from, the Troubled Families Programme in its first year.
- Cabinet note the positive contributions thus far from the different parts of the County Council and from partner organisations such as the District and Borough Councils, the NHS and the Police and Fire Services, and acknowledge the opportunities that exist for an enhanced and more coherent organisational approach to be developed as the programme continues into Year 2.
- That Cabinet Members endorse the transformational ambition of the programme, for the County Council and key partners to work in an even more joined up, better coordinated and more effective way with complex families.

#### 2. Reasons for the decision:

2.1. The Supporting Troubled Families Programme is a significant multi-agency three year transformation programme being overseen by Hampshire County Council.

2.2. The programme offers a significant opportunity for the County Council, and for a range of other agencies and partnerships to transform the effectiveness of collaborative multi-agency working for some of Hampshire's most challenging families and communities. This will reduce current and future public service costs and demands whilst delivering better outcomes for families and the communities in which they reside
