1. The decision:

- a) That the Executive Member for Adult Social Care and Public Health give approval to go out to tender and award contracts for a revised integrated domestic abuse service on the basis set out in this paper for a maximum of up to 4 years (2yr+1yr+1yr), to commence April 2015 with an annual contract value of up to £1,812,500 and a total contract value of up to £7,250,000.

2. Reason for the decision:

- 2.1. Service provision is not consistently available across the districts with little support between some services. Commissioning in clusters with minimum expectations across all services will increase capacity and provide greater flexibility.

3. Other options considered and rejected:

- 3.1. Retaining existing model but with some reduction in services.
- 3.2. Retain existing model but change emphasis to community based services.
- 3.3. Single Service – co-ordinated model for a single contract covering all our specified range of services.

The consultation process undertaken fully identified that what was required is a move towards a reconfiguration of services which none of the above address.

4. Conflicts of interest:

- 4.1. Conflicts of interest declared by the decision-maker: None

4.2. Conflicts of interest declared by other Executive Members consulted: None

5. **Dispensation granted by the Conduct Advisory Panel: none.**

6. **Reason(s) for the matter being dealt with if urgent: not applicable.**
