Regulation 10 (general exception) allows for a key decision to be made if it is impracticable for notice of the intention to take a key decision under Regulation 9 to be given 28 clear days in advance of the taking of the decision. Regulation 10 sets out the actions required to be taken in those circumstances which include giving public notice at least five working days before the decision is taken.

The Executive Lead Member for Children's Services intends to take a key decision on the Children's Residential Care Strategy at a meeting on 20 May 2014 at 1.30pm at The Castle, Winchester.

It was impracticable to give the required 28 days notice of the Executive Lead Member for Children's Services' intention to take this key decision due to recent confirmation that the strategy is ready to progress to implementation.
