#### 1. The decision:

- 1.1. That the Executive Member for Economy, Transport, and Environment approves a trial of the process and criteria outlined in section 3 of the supporting report as a standard response to requests for part night lighting from parish and district councils in order to determine whether exceptions will be made to the County Council's policy not to pursue part night lighting in Hampshire.

#### 2. Reason for the decision:

- 2.1. With the installation of a remote management system (RMS) during the core investment period of the Street Lighting PFI, requests have been received from local parish councils for the introduction of a part-night lighting option (i.e. for lights to be switched off between midnight and 05:00) within the parish.
- 2.2. In order to ensure that the right decision is taken in response to such requests, a process and set of assessment criteria are required to inform the decision. Before committing to such a process and such criteria, it will be necessary to trial them to ensure they deliver the right outcome for all interested parties.

#### 3. Other options considered and rejected:

- 3.1. None.

#### 4. Conflicts of interest:

- 4.1. Conflicts of interest declared by the decision-maker:

4.2. Conflicts of interest declared by other Executive Members consulted:

**5. Dispensation granted by the Conduct Advisory Panel: none.**

**6. Reason(s) for the matter being dealt with if urgent: not applicable.**

**7. Statement from the Decision Maker:**

In reaching this decision I have taken into account the views of Councillor David Simpson who was supportive of these proposals.
