

HAMPSHIRE COUNTY COUNCIL**Report**

Committee	River Hamble Harbour Management Committee
Date:	27 June 2014
Title:	Marine Director's Current Issues
Reference:	5862
Report From:	Director of Culture, Communities and Business Services

Contact name: David Evans

Tel: 01489 576387

Email: david.evans@hants.gov.uk

1. Summary

- 1.1. This report covers the issues currently under consideration by the Marine Director.

2. Warsash slipway

- 2.1 The plans have now been completed and an application has been made for Environment Agency Flood Defence Consent. If this application is successful, applications will be made for the other necessary consents.

3. Hamble Jetty

- 3.1 Replacement of the hammerhead pontoons on Hamble Jetty has now been completed and the bridge landing pontoon will be replaced as soon as possible. The Jetty has been re-opened to the public.
- 3.2 An application has been made for planning permission for the proposed extension to Hamble Jetty. This will be considered by the Local Area Committee on 26 June and the result will be reported to the Management Committee verbally.

4. Harbour Management System/Wi-Fi

- 4.1 The contract to upgrade the existing Harbour Management System has been let to the existing supplier, Zero-One Data. The upgrade includes an electronic point of sale system (ePoS) which will allow card payments to be taken afloat. It is anticipated that this will go live by the end of June. In order for the ePoS to function, a WiFi system has been installed to cover the River from Hamble Jetty as far as the seaward end of the Visitors' Pontoon.

This system will also provide free WiFi access to resident and visiting yachts within this area, using a weekly changing password (available from the Harbour Office).

5. Sound system for meetings

- 5.1 A potential solution to the requirement for a sound system for Management Committee and Harbour Board meetings has been identified. Detailed costings are at Appendix 1 and illustrations of the equipment will be circulated at the meeting. The source of funding for this project (if approved) has not yet been identified.

6. Recommendations

- 6.1 It is recommended that the River Hamble Harbour Management Committee advises the River Hamble Harbour Board to proceed with the procurement of the sound system (subject to funding) and to note the remainder of this report.**

None

IMPACT ASSESSMENTS:

1. Equalities Impact Assessment:

- 1.1. A full Equalities Impact Assessment for the River Hamble Harbour Authority's compliance with the Port Marine Safety Code (including environmental responsibilities) has been carried out and this report does not raise any issues not previously covered by that Assessment.

2. Impact on Crime and Disorder:

- 2.1. This report does not deal with any issues relating to crime and disorder.

3. Climate Change:

- 3.1. How does what is being proposed impact on our carbon footprint / energy consumption? The contents of this report have no impact on carbon footprint or energy consumption
- 3.2. How does what is being proposed consider the need to adapt to climate change, and be resilient to its longer term impacts? Not applicable to this report.
