1. The decision:

- 1.1. That the revised Basingstoke Strategic Transport Infrastructure Plan (BSTIP), be approved.

2. Reason for the decision:

- 2.1. On 7 October 2013, it was agreed by the Executive Member to endorse the draft BSTIP, and to commence engagement with three specifically identified interested parties. This process of engagement has been completed, enabling the revised BSTIP to now be approved.

3. Other options considered and rejected:

- 3.1. Not to approve the BSTIP. This option was rejected because it would mean that the County Council would not have an up-to-date plan setting out its priorities for strategic transport infrastructure investment in Basingstoke that reflects the views of Local County Members, the Enterprise M3 Local Enterprise Partnership, local businesses and Basingstoke and Deane Borough Council Officers and Members.
