1. The decision:

- 1.1. That the Station Travel Plan for Winchester be adopted by Hampshire County Council and that it be used to guide the delivery of County Council transport projects in and around Winchester station.
- 1.2. That the Director of Economy, Transport, and Environment be given delegated authority, in consultation with the Executive Member for Economy, Transport, and Environment, to periodically update the adopted plan so that it can be kept up to date with changes and progress as agreed by the station travel plan steering group.

2. Reasons for the decision:

- 2.1. Once adopted, the Station Travel Plan (STP) should help the key partners co-ordinate infrastructure and investment decision-making in the area surrounding the station. The key partners include South West Trains, Network Rail, Hampshire County Council, Stagecoach and Winchester City Council.
- 2.2. The STP will also provide practical evidence to show the public how the rail industry and the local authorities are working together to facilitate travel.

3. Other options considered and rejected:

- 3.1. Do nothing - Not to adopt the Station Travel Plan would demonstrate a lack of commitment to work with the rail industry and others to improve the journey experience for those using Winchester Station.

4. Conflicts of interest:

4.1. Conflicts of interest declared by the decision-maker: None

4.2. Conflicts of interest declared by other Executive Members consulted: None

5. Dispensation granted by the Conduct Advisory Panel: none.

6. Reason(s) for the matter being dealt with if urgent: not applicable.
