2. Reasons for the decision:

- 2.1. It is a legislative requirement for the County Council, as Minerals and Waste Planning Authority, to prepare and revise a Development Scheme. The Hampshire Minerals and Waste Development Scheme (HMWDS) defines what planning documentation is to be prepared and the timetable for its preparation and revision.
- 2.2. The current Development Scheme was brought into effect on 6 March 2013, with informal updates provided on the County Council website at www.hants.gov.uk/development-scheme-3.htm
- 2.3. Following the adoption of the HMWP in October 2013, it is now considered an appropriate point to formally update the HMWDS to take into account the planned monitoring and implementation work.
- 2.4. The update clarifies the timescales for the proposed work required as part of the duty to implement and monitor the HMWP.
- 2.5. This decision will provide the necessary legal basis for the updated Development Scheme to be brought into effect.
