1. Executive Summary:

1.1. This report sets out the detail of the applications that have been submitted by cultural, recreation and community organisations across Hampshire for major grants in 2015/16. It recommends that a total of £742,000 of grants are awarded, along with £60,000 for a Strategic Commission for Music, £53,730 for a Strategic Commission for Dance, £34,700 to Making Space in Leigh Park, plus a further £47,550 to the Countryside Access Forum. In addition, it is recommended that a base budget transfer of £78,400 is made to the Arts and Museums Service budget in order that it can be included as part of the overall support provided to the Hampshire Cultural Trust.

2. Background:

2.1. Culture, Communities and Business Services offers two funding streams that offer revenue grant support to strategic cultural, recreational and community based organisations based in Hampshire;

1) Culture and Recreation Investment Fund

This provides investment in the major strategic cultural and recreational organisations in Hampshire. Decisions are only made once a year for applications to this grant stream.

2) Community Investment Fund

This provides support for not-for-profit community based organisations with local governance arrangements in Hampshire. Decisions are also only made once a year for applications to this grant stream.

2.2 Full details of these two grant streams are set out in Appendix 1.

3. Grants for 2015/16:

3.1 Applications have been received from 35 organisations for grants from the Culture and Recreation Investment Fund and the Community Investment Fund and their details, along with the proposed recommendations, are summarised in Appendices 2 and 3. In most cases, the proposed grant for 2015/16 is 3% less than the grant for 2014/15, as agreed by the Executive Member for Culture, Recreation and Countryside on 16 September 2014¹.

3.2 Appendix 2 also highlights the outcome of the grant Commissions for Music, Theatre and Dance, which are part of the 'Connecting Communities to Excellence' Arts and Museums Service Strategic Plan 2012-2015, which was approved by the Executive Member for Culture and Recreation on 20 January 2012.

3.3 Details of management agreement for Making Space, the craft initiative based in Leigh Park, and the Hampshire Countryside Access Forum are also included in Appendix 2. Neither are grants as such, but, historically, both have been funded from the grants budget and are therefore included in this report too.

3.4 In previous years the County Council has awarded a grant to The Lights, an Arts Centre in Andover run by Test Valley Borough Council, from the Culture and Recreation Investment Fund. In 2014/15, this totalled £71,000. At the same time Test Valley Borough Council awarded a grant of £80,000 to the Arts and Museums Service for Andover Museum. It has now been decided not to award these grants and it is recommended that a base budget transfer of £78,400 (£80,000 – 2% reduction) is made to the Arts and Museums Service budget in order that it can be included as part of the overall support provided to the Hampshire Cultural Trust.

4. Consistent Approach to Assessing Applications:

4.1 One of the aims of the grants system is to ensure a consistent approach is taken when assessing a grant application. Whilst each service (Arts, Museums, Countryside, Outdoor Service, Community and Sport) still

7. Other Key Issues:

2. Impact on Crime and Disorder:

2.1. Not applicable.

3. Climate Change:

- a) How does what is being proposed impact on our carbon footprint / energy consumption? Not applicable.
