1. Executive Summary

1.1 This report seeks approval from the Executive Member for Culture, Recreation and Countryside for the award recommendations for the Hampshire Talented Athlete Scheme (HTAS) in 2015. It also reports on the progress of talented athletes attending school assemblies.

2. Contextual information

2.1 Athletes from over 70 sports are eligible to apply for HTAS to receive funding and support services to help them to progress to world class competition e.g. Olympics, Paralympics, World Championships. There are five levels of support for athletes depending on their stage in the performance pathway. Full details about the levels are provided in Appendix 1.

2.2 Applications for 2015 grants opened on 1 September 2014. The panel, consisting of colleagues from Sport Hampshire & IOW, Children's Services, a National Governing Body of sport representative and Local Authority representative, met on 3 November 2014. They made recommendations on award levels based upon the criteria set by the individual National Governing Bodies of sport in partnership with Hampshire County Council and Sport Hampshire & IOW.¹ National Governing Bodies provided a recommended award level for each athlete to inform the panel meeting.

¹ Sport Hampshire & IOW is the County Sports Partnership for Hampshire and the Isle of Wight, funded through a variety of partners including Sport England, Local Authorities and National

3. Finance

- 3.1. The £92,200 HTAS budget for 2014/15 is made up of contributions from, Culture, Community and Business Services (£13,100), Policy and Resources (£16,000) and £63,100 from the Culture, Community and Business Services Policy fund.
- 3.2. In addition to the £92,200 budget, a number of in kind and sponsored services have been negotiated to reduce athletes' costs. These include free annual leisure centre memberships, sports science workshops at Southampton Solent University and annual bus passes from Bluestar, Stagecoach and First.
- 3.3. Athletes receiving HTAS grants can choose to opt into the fast-track physiotherapy service and have £50 deducted from their grant. All athletes performing at county level or above can buy into the scheme for £50 per year, which represents excellent value for money.
- 3.4. Athletes are offered presentation and public speaking training in order to be able to deliver school assemblies. For each assembly the athlete receives an extra £50 grant.
- 3.5. The exact grant payment per athlete will be calculated once all award levels have been finalised. Last year this was £600 for level 2 athletes and £300 for level 3 athletes.

4. Athlete Assemblies

- 4.1. 27 athletes attended presentation and public speaking training in February 2014. Athletes were asked to use the themes of 'aspirations and resilience' in their presentations. The aim is to introduce school children to local athletes who have already had significant achievements and have aspirations to progress further, for example by winning an Olympic gold medal. The athletes explain how resilience is vital for them during injuries and set backs. The children are then asked to think about what they would like to achieve in their lives and how they will overcome challenges.
- 4.2. All Hampshire's Schools who use Schools Communications were offered the opportunity for an athlete to attend an assembly. So far 52 schools across Hampshire have received an assembly in 2014, and more are being arranged. Some athletes have provided demonstrations of their sports and even coaching. The feedback has been incredibly positive from schools, athletes and athletes' parents. A selection of feedback is listed below and a list of schools which have had a visit is provided in Appendix 2

"It's amazing what Hannah has achieved already even though she is so young. Her assembly has helped to show our children that they can do anything if they put their mind to it, whatever their age. They also saw first

hand the enjoyment and challenge that sport can give."

Lee Hanson, Assistant Head Teacher, Kings Furlong Junior School

"I would like to thank Sophie very much again for her thrilling input. It made a fantastic ending to our school sports week and I'm sure has inspired many of the children to push on with their ambitions, both in sport and otherwise. Dave Atkinson, PE Manager, Hythe Primary School.

'Thank you so much to Kathy for coming in to talk to our children. The children really enjoyed her visit. It is a delight to have role models for the children to follow and emulate - good luck to her in the future.'
Esther Jones, Headteacher, St Francis CE Primary

Laura was excellent, she pitched her talk really well and the children were engaged and excited about Triathlon. She really inspired our pupils and kindly let them ask her hundreds of questions! Some of our children even chose to create art work/writing about Triathlon after her visit'
Caroline Legg, Wootey Infant School

'Tim led an assembly to 257 four to seven years olds. The assembly captured the children's imagination and went well. We would love to do something like this again as Tim came across as well prepared and a good role model for the children of the school. This fits in very well with our Be The Best project.'
Jan Boyton, Deputy Headteacher, Belle Vue Infant School

'Adam was an inspirational and motivational speaker. He made the children realise that they can overcome any barriers. One boy in my class was using crutches at the time and it made him realise that they shouldn't be stopping him from doing things in life.'
Emily Reed, teacher, Wallisdean Junior School

'The children sat in absolute admiration and respect during Arthur's presentation. A truly inspiring way to educate them.'
Steve Cruddas, St Peter's Catholic School

5. Applications for HTAS 2014/2015 Grants

- 5.1 261 applications were received for the 2014/2015 scheme. 10 athletes were not eligible due to their sport or their local authority. A breakdown of applications by sport and local authority is provided in Appendix 3. Recommendations of award levels are provided in Appendix 4.

6. Future direction

- 6.1. Once awards have been confirmed, Sport Hampshire & IOW will administer grant payments via the Hampshire County Council grants system and co-ordinate support services.

7. Recommendation(s)

That the Executive Member for Culture, Recreation and Countryside:

1. Approves the HTAS recommendations for award levels in Appendix 4.
2. Notes the impact that HTAS athletes are having in school assemblies to raise the aspirations, build resilience and inspire pupils, teachers, athletes and parents alike.

IMPACT ASSESSMENTS:

1. Equality Duty

1.1 The County Council has a duty under Section 149 of the Equality Act 2010 ('the Act') to have due regard in the exercise of its functions to the need to:

Eliminate discrimination, harassment and victimisation and any other conduct prohibited under the Act;

- Advance equality of opportunity between persons who share a relevant protected characteristic (age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, gender and sexual orientation) and those who do not share it;
- Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

Due regard in this context involves having due regard in particular to:

- a) The need to remove or minimise disadvantages suffered by persons sharing a relevant characteristic connected to that characteristic;
- b) Take steps to meet the needs of persons sharing a relevant protected characteristic different from the needs of persons who do not share it;
- c) Encourage persons sharing a relevant protected characteristic to participate in public life or in any other activity which participation by such persons is disproportionately low.

1.2 Equalities Impact Assessment:

Looking to get best from the resource available and diversifying its use to support reaching a wider audience to develop talent and participation in high level sport for the future.

Funding is awarded based on the level of performance. The criteria does not discriminate on any equality grounds. We do not data monitor certain characteristics that are not relevant to performance.

2. Impact on Crime and Disorder:

2.1. This has been considered and is unlikely to make an impact.

3. Climate Change:

a) How does what is being proposed impact on our carbon footprint / energy consumption?

This has been considered and is unlikely to make an impact

b) How does what is being proposed consider the need to adapt to climate change, and be resilient to its longer term impacts?

This has been considered and is unlikely to make an impact.

***Reasons for athletes not being awarded**

These athletes have not been awarded an HTAS grant because they do not have a top 15 national championship ranking or do not compete at the correct level or are not recognised by their national association.
