1. The decision:

1.1. That the Executive Member for Economy, Transport and Environment approves the Project Appraisal for North Baddesley Crossroads Upgrade, as outlined in the supporting report.

1.2. That approval be given to procure and spend and enter into necessary contractual arrangements to implement the proposed improvements to the traffic signals equipment, road and footpath surfaces, lane markings and pedestrian crossing facilities, as set out in the supporting report, at an estimated cost of £303,000 to be funded from developer contributions and LTP funding.

1.2. That authority to make the arrangements to implement the scheme, including minor variations to the design or contract, be delegated to the Director of Economy, Transport and Environment.

2. Reason for the decision:

2.1. The junction improvements will facilitate a toucan crossing that will link to planned shared cycleway improvements. The upgraded signals will provide better capacity and the carriageway will be resurfaced at the same time to minimise the disruption that would be caused by maintenance works in the near future.

3. Other options considered and rejected:

3.1. Another option considered included locating the toucan crossing on Rownhams Road to facilitate a future shared used pedestrian cycle facility providing the missing link to NCN24. However this required extensive land

negotiations so the route has been located on the northern side. The toucan crossing will now be located on Nutburn Road and this option was rejected. .

4. Conflicts of interest:

4.1. Conflicts of interest declared by the decision-maker: None

4.2. Conflicts of interest declared by other Executive Members consulted: None

5. Dispensation granted by the Conduct Advisory Panel: None.

6. Reason(s) for the matter being dealt with if urgent: Not applicable.

7. Statement from the Decision Maker:

In reaching this decision I have taken into account comments made at my Decision Day by Councillor David Simpson on behalf of Councillor Alan Dowden.
