1. The decision:

- 1.1 That the initiative of the Winchester District Strategic Partnership to develop a Winchester Walking Strategy is welcomed and the broad principles of the strategy be recognised.
- 1.2 That, where appropriate, the Strategy and its specific proposals be reflected in the emerging Hampshire Walking Strategy and in future revisions of the Winchester District Transport Statement, the Winchester Town Access Plan, and in other relevant documents and strategies to best manage change and the delivery of improvements.
- 1.3 That proposals to support and promote walking continue to be included as part of citywide holistic transport improvements.

2. Reason for the decision:

- 2.1 To formally acknowledge the Winchester Walking Strategy so that it can be reflected in the emerging Hampshire Wide Walking and Cycling Strategies, the Winchester District Transport Statement and the Winchester Town Access Plan where appropriate.

3. Other options considered and rejected:

- 3.1 Adopting the Winchester Walking Strategy in full was considered although rejected on the basis that the Strategy requires further development and detail, and would not be consistent with the County Council's overall transport policy approach set out in the Local Transport Plan.

 - 4.2 Conflicts of interest declared by other Executive Members consulted: None
