## **IMPACT ASSESSMENTS:**

### **1. Equality Duty**

1.1. The County Council has a duty under Section 149 of the Equality Act 2010 ('the Act') to have due regard in the exercise of its functions to the need to:

Eliminate discrimination, harassment and victimisation and any other conduct prohibited under the Act;

Advance equality of opportunity between persons who share a relevant protected characteristic (age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, gender and sexual orientation) and those who do not share it;

Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

#### **Due regard in this context involves having due regard in particular to:**

The need to remove or minimise disadvantages suffered by persons sharing a relevant characteristic connected to that characteristic;

Take steps to meet the needs of persons sharing a relevant protected characteristic different from the needs of persons who do not share it;

Encourage persons sharing a relevant protected characteristic to participate in public life or in any other activity which participation by such persons is disproportionately low.

### **1.2. Equalities Impact Assessment:**

The report is solely a list of schools and therefore has no impact on groups with protected characteristics.

### **2. Impact on Crime and Disorder:**

2.1. No impact on crime and disorder as a result of this report has been identified.

### **3. Climate Change:**

How does what is being proposed impact on our carbon footprint / energy consumption?

How does what is being proposed consider the need to adapt to climate change, and be resilient to its longer term impacts?

No impact on climate change as a result of this report has been identified.

**Schools in the Western Area of Hampshire below the Government's floor standards based upon 2014 outcomes.**

The coalition Government has set floor standards for both primary and secondary schools and has asked Local Authorities to take a robust stance towards those schools below floor to secure rapid improvement.

A primary school is deemed to be below the floor standard if less than 65% of pupils attain level 4 in reading, writing and mathematics **and** where progress is less than the national median in reading, writing **and** mathematics. In 2013 the national medians were 85% of pupils making two levels of progress in reading, 91% of pupils making two levels of progress in writing and 88% of pupils making two levels of progress in mathematics.

A secondary school is deemed to be below the floor standard if less than 40% of pupils attain 5A\*-C including English and mathematics **and** where progress is less than the national median in both English **and** mathematics. The national medians for 2013 were 70% of pupils making three levels of progress in English and 71% of pupils making three levels of progress in mathematics.
