Dear Cllr Patricia Stallard,

Policy & Resources Select Committee: Workforce Capacity Referral

Thank you for your letter dated 28 January 2015 regarding the meeting of the HASC which took place on 27 January. I note your comments regarding the discussion on workforce capacity which took place at the HASC meeting.

You will be aware that a similar issue was raised in a motion to the County Council meeting on 19 February 2015. The motion was referred to the Employment in Hampshire County Council Committee. I am copying this letter to Cllr Stephen Reid, Chairman of the EHCC committee, and by doing so request that the points raised by the HASC be covered in any broader review undertaken by EHCC.

Therefore, to avoid duplication, I will not be adding this topic to the work programme of the Policy & Resources Select Committee at this time. Please feel free to report this approach to members of the HASC. If you wish to discuss this further, please get in touch with me.

Yours sincerely
