1. The decision:

- 1.1. That approval be given to procure a dynamic purchasing system (DPS) to deliver Home to School Transport contracts using vehicles with 17 seats and over for a period of up to 5 years duration with an option to extend annually up to 10 years at an estimated total spend up to the value of £50 million.
- 1.2. That the Director of Economy, Transport and Environment be given delegated authority to agree any variations to the items approved, in consultation with the Executive Member for Economy, Transport and Environment.

2. Reason for the Decision

- 2.1 The existing DPS is being replaced because it has reached the end of the term (4 years). A DPS allows new suppliers to join the DPS during its lifespan. Changes to regulations allow a DPS to be as long as required and the recommendation reflects this.

3. Other options considered and rejected:

- 3.1 Use of a fixed term framework. This was rejected as it is not possible to add new entrants who wish to become suppliers to the County Council over the lifetime of a framework agreement.

4. Conflicts of interest:

4.1. Conflicts of interest declared by the decision-maker: None

4.2. Conflicts of interest declared by other Executive Members consulted: None.

5. Dispensation granted by the Conduct Advisory Panel: none.

6. Reason(s) for the matter being dealt with if urgent: not applicable.
