1. The decision:

- 1.1. That the detailed alignment for Stubbington Bypass and associated improvements to Gosport Road and Titchfield Road, as set out in the appended plans, be approved.
- 1.2. That authority be delegated to the Director of Economy, Transport and Environment to submit a planning application for the proposed bypass and to progress other procedural matters as detailed in this report.

2. Reason for the decision:

- 2.1. To seek approval for the detailed alignment of the Stubbington Bypass and associated works, prior to submission of a Planning Application. The bypass is necessary to help improve access to the Fareham and Gosport Peninsula in order to promote economic prosperity in the area and to help improve the environment for local communities.

3. Other options considered and rejected:

- 3.1. Previously submitted plans have been updated as design work has become more advanced, hence it is now appropriate to report the progressed design. To not do so would mean that the detailed plans submitted as part of the Planning Application would not have been previously seen by the Executive Member.

4. Conflicts of interest:

- 4.1. Conflicts of interest declared by the decision-maker: None

4.2. Conflicts of interest declared by other Executive Members consulted:

5. Dispensation granted by the Conduct Advisory Panel: none.

6. Reason(s) for the matter being dealt with if urgent: not applicable.

7. Statement from the Decision Maker:

In reaching this decision, I have taken into account the input at my Decision Day from Hampshire County Councillor Chris Wood, and written comments from Hampshire County Councillor Graham Burgess.
