1. Executive Summary:

- 1.1 This report sets out the detail of the applications that have been submitted by cultural, recreation and community organisations across Hampshire for major grants in 2016/17. With one exception the level of grant awarded to each organisation was agreed in principle on 14 September 2015 by the Executive Member for Culture, Recreation and Countryside. The report also recommends an award of £52,655 to The Point in Eastleigh. These total £729,010, plus a Strategic Grant Commission of £34,000 to Making Space in Leigh Park, Havant. In addition the report recommends not awarding a grant to the Maritime Archaeology Trust.

2. Background:

- 2.1. Culture, Communities and Business Services offers two funding streams that offer revenue grant support to strategic cultural, recreational and community based organisations based in Hampshire. These are:

1) Culture and Recreation Investment Fund

This provides investment in the major strategic cultural and recreational organisations in Hampshire. Decisions are only made once a year for applications to this grant stream.

2) Community Investment Fund

This provides support for not-for-profit community based organisations with local governance arrangements in Hampshire. Decisions are also only made once a year for applications to this grant stream.

2.2. Full details of these two grants streams are set out in Appendix 1.

3. Grants for 2016/17:

3.1 Applications have been received from 30 organisations for grants from the Culture and Recreation Investment Fund and the Community Investment Fund. Their details, along with the recommendations as agreed in principle on 14 September 2015 by the Executive Member for Culture, Recreation and Countryside, are summarised in Appendices 2 and 3.

3.2 Details of the management agreement for Making Space, the craft initiative based in Leigh Park, Havant, are also included in Appendix 2. This is not a grant, as such; however this has historically been funded from the grants budget and is therefore included in this report.

4. Summary of Grants Recommended for Approval 2016/17:

4.1		£
	Culture and Recreation Investment Fund	642,885
	Community Investment Fund	86,125

	Total	£729,010

4.2	In addition:-	
	Making Space, Leigh Park	34,000

5. Financial Information 2016/17

5.1. The total budget for the 2016/17 grants is £943,000. If all these applications are approved, there will be £179,990 remaining for smaller grant schemes. These are indicative figures subject to the County Council approving the overall budget in February 2016.

5.2. It is recommended that £100,000 of this remaining funding be ring-fenced for the Culture and Community Activity Grants scheme for 2016/17 and the remaining £79,990 be transferred to the Community Buildings Capital Fund scheme. With this additional funding it is recommended the maximum grant awarded under the Community Buildings Capital Fund is increased from £15,000 to £25,000 to enable a wider variety of projects to be supported.

6. Other Key Issues:

- 6.1. All the organisations regularly funded via the Culture and Recreation Investment Fund have to complete a grant evaluation form for 2014/15 and an Interim Monitoring form for 2015/16. To date four of the 16 organisations funded in 2014/15 have not done this. They are:
- The Anvil Trust
 - Gilbert White Museum / Field Study Centre
 - Phoenix Theatre
 - QEII Activity Centre
- 6.2. These organisations have already received three reminders to supply the information and, if it is not forthcoming, it is recommended that a decision for a grant for 2016/17 is deferred.
- 6.3. Legal Implications: The Council has wide powers under section 19 Local Government (Miscellaneous Provisions) Act 1976 to provide recreational facilities and to contribute by way of a grant or loan towards the expenses incurred by voluntary bodies in providing such facilities and activities.

7. Recommendation:

- 7.1 That the Executive Member for Culture, Recreation and Countryside:
- i) Approves grants from the Culture and Recreation Investment Fund totalling £642,885, as set out in Appendix 2, including not awarding a grant to the Maritime Archaeology Trust. These are subject to receiving the relevant evaluation and monitoring forms from The Anvil Trust, Gilbert White Museum/Study Centre, Phoenix Theatre and QEII Activity Centre.
 - ii) Approves £34,000 to Making Space in Leigh Park, as set out in Appendix 2.
 - iii) Approves grants from the Community Investment Fund totalling £86,125, as set out in Appendix 3.
 - iv) Approves the transfer of £79,990 to the Community Buildings Capital Fund 2016/17.
 - v) Increases the maximum grant available under the Community Buildings Capital Fund to £25,000.

IMPACT ASSESSMENT

1. Equality Duty

1.1. The County Council has a duty under Section 149 of the Equality Act 2010 ('the Act') to have due regard in the exercise of its functions to the need to:

- Eliminate discrimination, harassment and victimisation and any other conduct prohibited under the Act;
- Advance equality of opportunity between persons who share a relevant protected characteristic (age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, gender and sexual orientation) and those who do not share it;
- Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

Due regard in this context involves having due regard in particular to:

- a) The need to remove or minimise disadvantages suffered by persons sharing a relevant characteristic connected to that characteristic;
- b) Take steps to meet the needs of persons sharing a relevant protected characteristic different from the needs of persons who do not share it;
- c) Encourage persons sharing a relevant protected characteristic to participate in public life or in any other activity which participation by such persons is disproportionately low.

1.2. Equalities Impact Assessment:

An Equalities Impact Assessment was undertaken when the grants process was reviewed earlier in 2015. It identified that the proposed changes to the grants scheme would have a low impact for the protected characteristics. The grants process continues to be open and transparent.

2. Impact on Crime and Disorder:

2.1. Not applicable.

3. Climate Change:

- a) How does what is being proposed impact on our carbon footprint / energy consumption? Not applicable.
- b) How does what is being proposed consider the need to adapt to climate change, and be resilient to its longer term impacts? Not applicable.

- Individuals
- Organisations already in receipt of funding from other Hampshire County Council departments for the majority of their core costs and/or service/project activity delivery

Grant Eligibility Criteria and Who can apply?

Hampshire County Council Grant Guidance Notes for Community Investment Fund

1. Health and wellbeing: Improving health and wellbeing for all
2. Communities: working with communities to enhance local services

Where an application is assessed to be eligible for an award, but the value of that award is calculated to be less than £3,000 the organisation will be signposted to apply for support through the Culture and Community Activity Grants scheme instead. This is to ensure the required levels of monitoring and reporting are proportionate to the value of award.
