

REPORT OF THE
Employment in Hampshire County Council Committee
PART I

181. AMENDMENTS TO MEMBERS' ALLOWANCES SCHEME 2015/16

1. The legislative framework governing the payment of Members' Allowances is set out in the Local Authorities (Members Allowances) (England) Regulations 2003 (as amended) ('the Members' Allowances Regulations').

2. Provisions in respect of the current Members' Allowances Scheme for 2015/16 were determined by the County Council at its meeting on 20 February 2014. Once a Members' Allowances Scheme is made for any year it may be amended during the year in question in accordance with the Members' Allowances Regulations. It is also possible under the Members' Allowances Regulations for any amendment to the Members' Allowances Scheme to be backdated to the beginning of the financial year in which any such amendment is made.

3. By virtue of the Members' Allowances Regulations, before the County Council can make or amend a Members' Allowances Scheme, it is required to have regard to recommendations made in relation to it by an Independent Remuneration Panel ('IRP'). In this regard the IRP met on 14 October 2015.

4. The Employment in Hampshire County Council ('EHCC') Committee met on 11 November 2015 to consider the recommendations of the IRP, and to make recommendations to the County Council in respect of amendment to the Members' Allowances Scheme for 2015/16. A copy of the Report considered by the EHCC Committee is attached as an Annex to this Report. Minutes of the IRP Meeting are attached at Appendix 1 to the EHCC Report.

5. Recommendations of the IRP considered by the EHCC Committee were:

- a) that revised Special Responsibility Allowances in the sum of £11,586 and £2,901 per annum respectively be payable for the role of Chairman and Vice-Chairman of the Pension Fund Panel and Board, backdated to 1 April 2015; and
- b) that a Special Responsibility Allowance in the sum of £4,345 per annum be payable for the role of Assistant to the Executive – Rural Affairs Champion, backdated to 22 May 2015, to be reviewed in twelve months' time as the role develops.

6. The EHCC Committee supported both recommendations and resolved to recommend to the County Council that approval be given to amendment of the Members' Allowances Scheme for 2015/16, which takes into account the recommendations of the IRP.

RECOMMENDATION

That the County Council approve the IRP proposal set out at Paragraph 5.1 and Paragraph 5.2 of the support report regarding amendment to the Members' Allowances Scheme for 2015/16 in respect of the Special Responsibility Allowances referred to in the recommendations of the IRP.

1. Executive Summary

- 1.1 The legislative framework governing the payment of Members Allowances is set out in the Local Authorities (Members' Allowances) (England) Regulations 2003 ('the Members Allowances Regulations').
- 1.2 Under the provisions of the Members' Allowances Regulations, the County Council is required to make a Members' Allowances Scheme for the payment each year of Members' Allowances. Provisions in respect of the current Members' Allowances Scheme for 2015/16 were determined by the County Council at its meeting on 20 February 2014. Once a Members' Allowance Scheme is made for any year it may be amended during the year in question in accordance with the Members' Allowances Regulations. It is also possible under the Members' Allowances Regulations for any amendment to the Members' Allowances Scheme to be backdated to the beginning of the financial year in which any such amendment is made.
- 1.3 By virtue of the Members' Allowances Regulations, before the County Council can make or amend a Members' Allowances Scheme, it is required to have regard to recommendations made in relation to it by an Independent Remuneration Panel ("IRP"). In this regard the IRP met on 14 October 2015. Minutes of the IRP meeting, and the recommendations of the IRP are attached as an Appendix 1 to this report.

2. Contextual information

2.1 Amendment to Members' Allowances Scheme 2015/16

Consideration of amendment to the Members' Allowances Scheme 2015/16 is

Annex to County Council Item 12

required in consequence of changes to the County Council's Governance Arrangements following establishment of a joint Hampshire Pension Fund Panel and Board, the scope and level of responsibility of the Chairman of the previous Pension Fund Panel, and creation of the new role of Assistant to the Executive – Rural Affairs Champion.

2.2 Recommendations of the Independent Remuneration Panel

a) That revised Special Responsibility Allowances in the sum of £11,586 and £2,901 per annum respectively be payable for the role of Chairman and Vice-Chairman of the Pension Fund Panel and Board, backdated to 1 April 2015.

2.2.1 There is currently provision in the Members' Allowances Scheme for payment of SRA's in the sum of £5,793 and £1,449 per annum respectively in respect of the roles of Chairman and Vice-Chairman of the Pension Fund Panel. These amounts were first set in the Members' Allowances Scheme 2009/10, following appointment of a new Chairman of the Pension Fund Panel. Previously the position had been occupied by the then Leader of the County Council in receipt of a higher Executive Leader's Allowance. It was agreed by the IRP at the time that this was an omission in the Members' Allowances Scheme. It was also agreed that consideration of the SRA for the Chairman of the Pension Fund Panel should be an ongoing matter in consequence of the evolution of the work, complexity and responsibility of the role.

2.2.2 The level of SRA payable to the Chairman of the Pension Fund Panel has been considered by the Employment in Hampshire County Council (EHCC) Committee at a number of meetings since this date, most recently at the meeting of the EHCC Committee on 12 November 2013. At this time the EHCC Committee reiterated its view that due to the nature and increasing complexity of the role, when combined with the overall decision making authority of the Panel, the role of the Chairman of the Pension Fund Panel carried more responsibility than that reflected in the current SRA. Thus whilst accepting the recommendation of the IRP at the time that there should be no change in the amount of SRA payable in respect of the post of Chairman of the Pension Fund Panel, the EHCC Committee asked that the IRP consider this further for future years.

2.3 As indicated at Paragraph 2.1 above the County Council has now established a joint Hampshire Pension Fund Panel and Board. A copy of a Report dated 16 July 2015 considered by the County Council in establishment of the Pension Fund Panel and Board is attached at Appendix 2 to this Report. The new joint Pension Fund Panel and Board combines in one place the County Council's statutory functions as administering authority of the Hampshire Pension Fund under the Local Government Pension Scheme ('LGPS') Regulations and associated legislation under the Superannuation Act 1972 previously undertaken by the Pension Fund Panel, with new requirements required to be undertaken by a Pension Board. These relate to the governance and administration of the LGPS, including responsibility for

Annex to County Council Item 12

securing compliance imposed in relation to the LGPS by the Pensions Regulator, and for ensuring the effective and efficient governance and administration of the Hampshire Pension Fund. In order to achieve this dual role the work of the Committee will of necessity increase in consequence of the requirement to give greater weight to scrutinising the administration and governance of the Pension Fund.

- 2.3.1 Further information was supplied at the meeting of the IRP on 14 October 2015 by the Director of Corporate Resources in relation to the scope and work of the joint Pension Fund Panel and Board and the level of responsibility and demands on the Chairman (see Appendix 1).
- 2.4 Currently there is provision in the Members' Allowances Scheme for payment of SRA's in the sum of £11,586 and £2,901 respectively in respect of the roles of Chairman and Vice-Chairman of the County Council's Select Committees. Should the recommendation of the IRP be accepted then this would mean that similar amounts would attach to the role of Chairman and Vice-Chairman of the joint Pension Fund Panel and Board, and the IRP's rationale for this is set out in the Minutes of their meeting (see Appendix 1).
- b) That a Special Responsibility Allowance in the sum of £4,345 per annum be payable for the role of Assistant to the Executive – Rural Affairs Champion, backdated to 22 May 2015, to be reviewed in twelve months' time as the role develops.**
- 2.5 This is a new post following the Annual General Meeting of the County Council on 22 May 2015. Details of the role as it appears in the County Council's Constitution, together with supporting information on the detail of the role considered by the IRP is attached as an Annex to Appendix 1 and at Appendix 3 of this report.
- 2.6 Should the recommendation of the IRP be accepted in respect of this SRA then the amount payable in respect of the role would be 25 per cent of the SRA currently payable in respect of an Executive Member, subject to review as recommended by the IRP.

3. Information

- 3.1 Amendments to the Members' Allowances Scheme for 2015/16 will be considered by the County Council at its meeting on 18 February 2016.

4. Recommendations

- 4.1 That the EHCC Committee recommends to the County Council that approval be given to amendment of the Members' Allowances Scheme for 2015/16, which takes into account the recommendations of the Independent Remuneration Panel, and the views of the EHCC Committee.

2. DECLARATIONS OF INTEREST

None.

3. CHAIRMAN'S COMMUNICATIONS

The Chairman of the Independent Remuneration Panel (IRP) welcomed everyone to the meeting and invited Barbara Beardwell, the Head of Governance to report on the recent changes to the County Council's governance arrangements.

5. AMENDMENTS TO THE MEMBERS' ALLOWANCES SCHEME

The Head of Governance confirmed that the IRP had been requested to undertake a piece of work comprising:

- (i) a review of the Special Responsibility Allowances (SRA) payable to the Chairman and Vice-Chairman of the former Hampshire Pension Fund Panel, in consequence of the decision of the County Council on 16 July 2015 to establish a joint Pension Fund Panel and Board in order to comply with new Regulations for Pension Fund governance; and
- (ii) to consider an SRA for the position of Assistant to the Executive – Rural Affairs Champion, which was introduced following the Annual General Meeting of the County Council on 22 May 2015.

6. HAMPSHIRE PENSION FUND PANEL AND BOARD

New Regulations for Pension Fund Governance were published on 28 January 2015. To comply with the new Regulations, Hampshire County Council as the Administering Authority for the Hampshire Pension Fund,

Annex to County Council Item 12

applied to the Department for Communities and Local Government (DCLG) to form a Joint Pension Fund Panel and Board and approval was given by the Secretary of State on 3 June 2015. At a meeting of the full County Council held on 16 July 2015, the recommendation of the Cabinet to establish a Joint Pension Fund Panel and Board (PFPB) was approved. The new PFPB is responsible for assisting in securing compliance with the new Regulations as well as the continuing responsibility for the administration and investment of the Fund, which will require greater weight to be given to scrutinising the administration and governance of the Pension Fund. The Hampshire Pension Fund currently stands at £5.1bn, has over 300 employers and some 150,000 members who have a keen interest in the performance of the Fund.

Councillor Mark Kemp-Gee, Chairman of the Pension Fund Panel and Board (PFPB) and Carolyn Williamson, Director of Corporate Resources were in attendance for this Agenda item and the Chairman invited both to speak. As background information, the Director of Corporate Resources drew attention to the Hampshire Pension Fund Annual Report which contains an opinion of the External Auditor, and provided comparator evidence on the role of the Chairman of the PFPB in relation to a Cabinet Member role.

The Chairman of the PFPB, the Chief Executive and the Director of Corporate Resources expanded on the challenges and complexities of the work of the PFPB. The IRP noted that the PFPB has a fiduciary responsibility and many investment issues must be taken account of requiring strong and robust leadership by the Chairman of the PFPB, including ensuring that Investment Managers are properly held to account when attending meetings to report on the performance of investment funds. It was reported that the Chairman of the PFPB drives the highest standards in regard to members of the PFPB undertaking the required training by applying strong focus on the maintenance of an Annual Training Plan to help build knowledge and expertise. It was also reported and noted by the IRP that the process of attaining the highest standards and strengthening the governance framework of the Hampshire Pension Fund had commenced a considerable amount of time ago. When the new Regulations were introduced, Hampshire was able to evidence this position which was instrumental in obtaining Secretary of State approval to move to new joint arrangements and leading the way in this regard.

In addition to taking evidence from Officers and by direct question and answer with the Chairman of the PFPB, the IRP also considered Members' allowances in other large authorities together with the level of responsibilities and scope of other roles in the Hampshire Members' Allowances Scheme. During the course of their deliberations, the IRP also considered the role of the Vice-Chairman of the PFPB. The IRP concluded that the role of the Chairman of the PFPB has, because of the revised

Annex to County Council Item 12

governance requirements, acquired a more significant scrutiny element albeit it not as broad as that of the Chairman of a Select Committee. Conversely, the IRP was of the view that the role has significant executive content in developing and implementing an Investment Strategy, selecting advisers and placing investments to ensure best possible returns.

RESOLVED:

That the IRP recommends to the Employment in Hampshire County Council Committee a revised Special Responsibility Allowance of £11,586 per annum for the role of Chairman of the Pension Fund Panel and Board and a revised Special Responsibility Allowance of £2,901 for the role of Vice-Chairman of the Pension Fund Panel and Board, to be backdated to 1 April 2015.

7. ASSISTANT TO THE EXECUTIVE – RURAL AFFAIRS CHAMPION

At a meeting of the full County Council on 22 May 2015, the Leader announced the introduction of the role of the Assistant to the Executive – Rural Affairs Champion, a significant role requiring much time and effort to embed it fully and to utilise its cross-cutting nature. The role holder is expected to take forward and develop the activities carried out by previous Executive Members. The purpose, scope, core elements and impacts/outcomes of this role are detailed in an Annex to these Minutes.

Councillor Rob Humby, the role holder was in attendance for this Agenda item and was invited to speak by the Chairman. Oral evidence was also provided by Andrew Smith, Chief Executive. It was reported that when the role holder is working with the Cabinet and other Members, the Chief Executive, Directors and other senior managers, they are expected to do so at the same level as an Executive Member. The role holder ensures that the many rural considerations throughout the county are taken into account by an Executive Member, at a decision day, and by the Cabinet when making decisions collectively. Attention was particularly drawn to the re-establishment of the Hampshire Rural Forum, the organisation of which would be managed centrally and a wide range of people and organisations working with rural communities would be invited to put forward their views.

Having fully considered the evidence received and by direct question and answer with the role holder, the IRP concluded that the role is currently developing and includes a complex mix of topics cutting across most of the County Council's departments, and Executive Member roles. During the course of its deliberations, the IRP recognised the expanding agenda of overlapping issues including rural housing, Broadband, transport and tackling rural isolation and health Issues. The IRP also recognised the importance of developing contacts and aiding co-ordination through the

Annex to County Council Item 12

Rural Co-ordination Group and with partner organisations and agencies through the Hampshire Rural Forum.

RESOLVED:

That the IRP:

- (i) recommends to the Employment in Hampshire County Council Committee an initial SRA for the role of Assistant to the Executive - Rural Affairs Champion of £4,345, being 25 per cent of the Special Responsibility Allowance for an Executive Cabinet Member, to be backdated to the date of its introduction on 22 May 2015; and.
- (ii) recommends that the Special Responsibility Allowance for this role be revisited in 12 months to review how the role has developed.

(Appendix 1 to EHCC Report – 11 November 2015)

ASSISTANT TO THE EXECUTIVE – RURAL AFFAIRS CHAMPION

Purpose and impact of the role:

Role – The role holder acts as the specialist Lead Member in advising the Leader and Cabinet on rural affairs and issues affecting Hampshire’s rural communities. The information provided in this note draws upon the activities of the three previous Executive Members fulfilling that lead role since 2009.

Purpose – Why is the role required?

Using government definitions approximately 75% of Hampshire’s land area is defined as rural and is home to approximately 25% of its population. The role holder is expected to operate strategically, in both an internal and external capacity, to ensure that key policy and service changes take due account of the needs and issues faced by this part of Hampshire and its communities. The role holder is also expected to consider joint funding for partner organisations and community generated initiatives that develop or trial innovative and value for money solutions to service delivery and rural business development in these areas. The role is seen as fulfilling an important advocacy function across all service areas and is the ‘go to’ Member for external groups and the public on rural issues.

Scope – How does the role sit within the County Council and at what level?

The role holder works across all key departments and very closely with Executive Member colleagues to ensure the best outcomes for rural communities. The role holder attends Cabinet and is expected to lead on reports and briefings at this level. The role holder is also expected to work directly at a senior level with partner organisations, including fellow local authorities, government agencies, specialist networks, and national politicians.

Impacts and outcomes - What does the role deliver?

The role has been pivotal in developing innovative, sustainable and community focused outcomes for both the County Council and the rural communities it serves. In support of this an annual budget of £200,000 has been allocated to support projects in rural areas and communities. Every project, whether large or small, requires match funding to ensure that the financial gearing is as strong as possible. This doubles or triples the impact of the allocated budget. The role holder oversees this budget and makes recommendations directly to the Leader for major project allocations. On the smaller projects allocations are delegated to officers working closely with the role holder and reported back retrospectively. The

Annex to County Council Item 12

role holder also reports on performance and outcomes at Policy and Resources and Cabinet level.

Cross-cutting work and collaboration within the County Council - how does the role relate to Departmental activities and Executive Member portfolios?

The role holder works with, and across all key departments and has a close working relationship with senior officers and Executive Members. The role holder attends and oversees the Corporate Rural Co-ordination Group of senior officers and works very closely with Cabinet colleagues on rural policy and service issues. In some important areas the role holder has been appointed by the Leader or Executive Members to directly represent Hampshire County Council in this area of activity. Examples include the statutory Hampshire Countryside Access Forum, the Hampshire Association of Local Councils and the M3 Local Enterprise Partnership (LEP) rural group. The Leader and fellow Executive Members identify areas where the role holder can support them directly in delivering added value activity with examples including leading on support for rural business and the land-based sector, rural affordable housing, the impacts of rural isolation, and promotion of the corporate rural estate. The role fully supports and complements the role of fellow Cabinet colleagues at a senior level and brings a level of expertise and commitment targeted around rural issues. It is not a parallel set of activities but an integral and integrated part of tackling wider socio-economic issues as part of the County Council's overall effort to provide appropriate levels of support and commitment to its communities and businesses.

External partnership and inter-agency working - how does the role holder operate with partner organisations and agencies; with whom, at what level, and with what purpose?

The role holder is required to develop and maintain a very strong partnership footprint, which forms a critical part of the role, and currently includes:

- Borough and District Councils – regular Leader level contact to highlight ongoing joint approaches to issues such as rural business development, rural affordable housing, and specific joint projects. County wide role.
- National Park Authorities – at Chief Executive Officer and Chairman level to progress joint initiatives in support of the vitality of protected areas and their communities.
- Hampshire Association of Local Councils – representing the County Council on the Association, listening to the rural 'voice', using the network to target grant support and to work closely with them for the benefit of rural communities. A county wide group.
- Wessex Rural and Farming Network (RFN) – one of the 13 national groups representing key rural interests developed by a former role holder in

Annex to County Council Item 12

response to a national initiative by the Department of Food and Rural Affairs (DEFRA). This provides direct access to government ministers and the opportunity to influence government policy and thinking in that Departmental area. A regional level group.

- Hampshire Rural Forum – chaired and led by the role holder and involving all the key external rural stakeholder and interest groups across the County convened to advise Hampshire County Council on the rural dimension of its activities.
- Hampshire Countryside Access Forum – acting as the County Council Highway Authority representative on this external statutory body which advises the County Council on its policy and role in managing its 3000 mile rights of way network as well as its Access Authority duties. A county wide body.
- Local Enterprise Partnership (LEP) – working directly with the rural committee of the M3 LEP to support and develop rural businesses and enterprise in partnership with senior public and private sector representatives. A pan regional group.

Core elements of the role:

Advocacy: from a Member perspective the role hinges upon championing the needs of rural communities within the County and the contribution of rural areas to the important characteristics that makes Hampshire such a special place. This has operated both at Cabinet level and externally as the focus underpinning the County Council's position and profile on key rural issues.

Corporate 'rural proofing': linked to that at a corporate level is the role of actively considering the approaches taken by the organisation in introducing and developing county-wide policies and service initiatives which will impact upon rural communities. This entails pragmatic and creative thinking in advance of policy implementation. The Corporate Rural Co-ordination Group forms a key part of this aspect of the role and this enables the organisation to ensure it is joined up across, and in support of, Departments trying to juggle some very difficult issues. This will continue to be important going forward.

Collaboration and partnership: are key elements of the role and probably the most critical ones going forward. The issues faced cut across the interests and remits of a wide range of organisations and consequently joint working and partnership approaches will be key. There are particular opportunities with the Districts, National Parks, and LEPS. Another important area is public health. Over recent years the approach has been to focus efforts where they are likely to be most successful and linked to the core priorities. Joint resource allocation and match funding will be critical in this area.

Annex to County Council Item 12

Innovation and responding to transformational change: As the organisation repositions itself in the light of further significant cuts in resources, albeit accompanied by an increase in demand and customer expectations, the need for new, innovative and radical approaches will grow. The rural budget has been used to support this and will no doubt need to continue to do so. It will also be a real challenge to keep rural communities on the same page with the scale of cuts being faced across all parts of Hampshire.

Budget allocation and prioritisation: requires a strong overview and substantial support to the Leader to advise, scrutinise and recommend in regard to the larger funding decisions as well as pump prime the small community level grants covered by the £200,000 budget.

Benefits arising from the role:

- Provision of direct reports and input to Cabinet colleagues on key rural initiatives, priorities, challenges and opportunities
- Fulfils a lead Member relationship role on rural issues with the Borough, District and Parish Councils e.g. regular meetings and discussion at Leader and Chief Officer level with partner organisations
- Contributes directly to and influences external bodies such as the Local Enterprise Partnerships, National Park Authorities, Rural and Farming Networks, Hampshire Rural Forum and NGOs and involves direct access to DEFRA and other Ministers on related issues
- Champions innovative approaches to service delivery issues in rural communities in support of Cabinet colleagues and the need for organisational change and service transformation e.g. village agents and social isolation projects/rural economic development
- Overseeing the work of the Corporate Rural Delivery Group and associated budget, including seeking the maximum financial gearing of major funding collaborations and the allocation of small grants to community initiatives e.g. small grants for local flooding projects and economic development initiatives
- Provision of an external and public "go to" lead Member role on all key rural issues as well as brokering the best possible response and profile for the County Council e.g. strong and positive public relations and communications profile on rural issues on behalf of the County Council

Appendix 1 to EHCC Report – 11 November 2015

REPORT OF THE

Cabinet

PART I

(16 July 2015)

141. PENSION FUND GOVERNANCE

1. The Cabinet considered proposals for a future Pension Fund governance structure at their meeting on 30 March 2015. This was subsequent to the decision on 6 February 2015 to seek Secretary of State approval for a joint Pension Fund Panel and Board as the best option to comply with new regulations and ensure the most efficient and effective governance of the Hampshire Pension Fund.

2. At the time of the Cabinet meeting on 30 March 2015, an outcome to the application to the Secretary of State for approval for a joint Pension Fund Panel and Board had not been received. As a result, Cabinet made two alternative recommendations to the County Council, depending on the decision of the Secretary of State. The preferred option was for the establishment of a Joint Pension Fund Panel and Board; but in the event that approval for this was not received a further option of a separate Pension Board was recommended.

3. Cabinet delegated authority to the Director of Corporate Resources to recommend appropriate employer and scheme member representatives to the County Council. Full details can be found in the Cabinet report at Annex A to this report.

4. Formal approval for the establishment of a Joint Pension Fund Panel and Board in Hampshire was received from the Secretary of State on 3 June 2015. It is therefore recommended to the County Council that a Joint Pension Fund Panel and Board is established with the Terms of Reference set out in Appendix 1 of the Cabinet Report

RECOMMENDATIONS

That the County Council:

- a) Approves the establishment of a joint Pension Fund Panel and Board, with the Terms of Reference set out in Appendix 1 of the Cabinet Report.
- b) Authorises the Monitoring Officer to amend the Constitution to incorporate the Terms of Reference for the Pension Fund Panel and Board and to make any consequential amendments.

1 Purpose

- 1.1 New regulations for Pension Fund Governance were published on 28 January 2015. As the Administering Authority for the Hampshire Pension Fund, Hampshire County Council is responsible for implementing the new regulations. At its meeting on 6 February 2015 Cabinet agreed that the County Council should seek Secretary of State approval for a joint Pension Fund Panel and Board in order to comply with the new regulations.
- 1.2 This report outlines the progress that has been made with the Department for Communities and Local Government (DCLG) and the actions required to comply with the new regulations.

2 Obtaining Secretary of State Approval for a joint Pension Fund Panel and Board

- 2.1 The creation of Pension Boards are a new requirement to bring the Local Government Pension Scheme (LGPS) into line with the Public Service Pension Scheme Act 2013. Each LGPS Fund is required to set up a local Pension Board to assist with the administration of the scheme. It is a requirement of the LGPS governance regulations, published on 28 January 2015, that the new governance structure must be established by 1 April 2015. The regulations contain the option to combine the requirements for a Pension Board with an existing pension committee, subject to Secretary of State approval. The regulations require a joint committee to designate a certain number of its members to be employer and scheme member representatives, of which there must be at least two of each.

- 2.2 At its last meeting Cabinet agreed that combining the role of Hampshire's existing Pension Fund Panel with the requirements for a Pension Board offered an attractive opportunity for the efficient and effective governance of the Hampshire Pension Fund. Cabinet agreed that officers should work with DCLG to establish the exact requirements for a joint Panel and Board which would gain Secretary of State approval.
- 2.3 Joint discussions between officers from Finance, the Deputy Monitoring Officer and DCLG have progressed to a point where it is now hoped that the Secretary of State will approve a joint Pension Fund Panel and Board for Hampshire. The Terms of Reference that it is hoped will be approved by the Secretary of State are contained in Appendix 1.
- 2.4 In addition to 9 County Councilors, the Pension Fund Panel already has representation from a variety of employers and scheme members:
- 1 pensioner representative
 - 1 employee representative
 - 2 Unitary Authority representatives (one each nominated by Southampton City Council and Portsmouth City Council)
 - 2 District Council representatives nominated by the Hampshire and Isle of Wight Local Government Association.
- 2.5 The proposed Terms of Reference for the joint Panel and Board would change the composition of the committee to be made up as follows:
- 9 County Councilors
 - 3 scheme member representatives
 - 3 employer representatives.
- 2.6 There are a number of benefits that a joint Panel and Board will deliver for the governance of the Pension Fund:
- Maintaining the Panel and Board's status as a formal Section 101 committee of the County Council gives greater weight to the combined committee with responsibility for the management and governance of the Pension Fund.
 - Providing the most engaging roles for those charged with the management and oversight of the Pension Fund, which will enable the Fund to attract the best possible scheme and employer representatives to fill the roles on the joint Panel and Board.
 - Ensuring the deepest understanding of all Pension Fund matters and the most effective decision making that complies with the Regulations and requirements of the Regulator, by exposing the

members of the joint Panel and Board to the full operation of the Pension Fund.

- Avoiding any duplication and confusion in roles between a separate Panel and Board, ensuring that the Fund's stakeholders have clarity over who is responsible for the management and governance of the Pension Fund.
 - Providing an efficient solution by removing the additional administrative burden of supporting a separate Board and enabling resources to be concentrated on supporting the training and development of a single committee dealing with Pension Fund matters.
- 2.7 It is recommended that Cabinet approve the Terms of Reference for a joint Pension Fund Panel and Board and recommend it to the County Council, subject to obtaining Secretary of State approval. If the ongoing dialogue with DCLG requires further changes to these Terms of Reference they will be reported to Cabinet for their approval and recommendation to Council at the Cabinet meeting on 18 May 2015 prior to the County Council meeting on 22 May 2015.

3 Contingency arrangements – a separate Pension Board

- 3.1 If the County Council is unsuccessful in obtaining Secretary of State approval for a joint Pension Fund Panel and Board it will need to establish a separate Pension Board. The most significant requirements in the regulations for standalone Pension Boards are:
- There must be an equal number of employer and scheme member representatives on the Pension Board, although there can be other members of the Board as long as they do not outnumber the employer and scheme member representatives.
 - Any elected member of the Administering Authority appointed to the Pension Board must be either an employer or scheme member representative, which would mean that a County Council member could not be an independent chair of the Pension Board.
- 3.2 If the County Council is required to form a separate Pension Board, the new Board's role in scrutinising the effective governance of the Pension Fund would appear to duplicate the current role that the Audit Committee fulfils in reviewing the minutes of the Pension Fund Panel. It is recommended that if a separate Pension Board is formed that the minutes of the Pension Fund Panel are no longer reported to the Audit Committee.

4 Proposed format of a separate Pension Board

- 4.1 If Secretary of State approval is not given, the following proposals have been drafted for a separate Pension Board. The full proposed terms of

reference for a separate Pension Board are shown in Appendix 2. The terms of reference for the separate Board are more detailed than for the Panel and Board, as a separate Board would not be a formal committee of the County Council. The terms of reference for the separate Board therefore contain a number of additional provisions which are not required for the joint Panel and Board, which will be subject to the County Council's Constitution and Standing Orders.

- 4.2 **Membership** – 3 employer representatives and 3 scheme member representatives. The Pension Board gives the opportunity to include groups that have not traditionally been involved in the governance of the Pension Fund. To enable the widest possible representation, Board members will ideally be selected from each of the following groups:
- Employers – admission bodies (largely voluntary organisations), scheduled bodies representing educational establishments and the County Council (as the Administering Authority of the Pension Fund).
 - Scheme members – active, deferred and pensioners members.
- 4.3 The opportunity to be a member of the Pension Board will be advertised to all of the Pension Fund's employers and scheme members. Those interested in being a member of the Pension Board will be asked to complete a short application form with applicants then shortlisted for interview.
- 4.4 It is recommended that authority is delegated to the Director of Corporate Resources to establish an appointments policy and to undertake a recruitment process to identify appropriate employer and scheme member representatives for approval by the County Council.
- 4.5 **Chairman** – In order to facilitate the effective operation of the Pension Board, it is proposed that a Chairman is appointed by the County Council. It is recommended that the Chairman of the Audit Committee is appointed as Chairman of the Pension Board. The Chairman would be one of the 3 employer representatives on the Pension Board. In addition it is recommended that this arrangement is reviewed after 2 years, to ensure it is operating effectively as envisaged.
- 4.6 **Conduct** - Members of the Pension Board will not normally be bound by the County Council's Code of Conduct and the guidance therefore recommends that the Board should have its own Code of Conduct. A draft Code, based on the County Council's Code is included as an appendix to the draft terms of reference.
- 4.7 The adoption of a Code of Conduct necessitates a process for dealing with alleged breaches of the Code of Conduct. It is therefore proposed that this is undertaken by the County Council's Conduct Advisory Panel.
- 4.8 **Allowances** - Some members of the Board may benefit from Members'

Allowance Schemes but these schemes will not be available to Board Members who are not Members of local authorities. While it is not proposed to pay an allowance for being a member of the Board it is proposed to allow Board members to claim for travelling expenses on the same terms as Members can claim for travel under the Members' Allowances Scheme.

- 4.9 **Meeting frequency** - The draft Terms of Reference envisage the Board meeting 4 times each year. This will be reviewed once the Board has been operating for a year to ensure that the meeting cycle is appropriate to transact the business of the Board.

5 Recommendations

- 5.1 That Cabinet note the progress that has been made with DCLG in forming a joint Pension Fund Panel and Board for Hampshire and approve the Terms of Reference for a joint Panel and Board contained in Appendix 1.
- 5.2 That Cabinet delegate authority to the Director of Corporate Resources to form an appropriate appointments policy for Scheme Member and Employer representatives on either the joint Panel and Board, or the separate Board, and undertake a recruitment process and decide on appropriate employer and scheme member representatives.
- 5.3 If Secretary of State approval is obtained for a joint Panel and Board:
- a) Cabinet recommend to the County Council the formation of a joint Pension Fund Panel and Board as outlined in this report.
- 5.4 If Secretary of State approval is not obtained for a joint Panel and Board:
- a) that Cabinet approve the Terms of Reference for a separate Pension Board contained in Appendix 2, and
