#### 1. The decision:

- 1.1 That the Executive Member for Health and Public Health gives approval to spend in respect of Level 3 Sexual Health Services an amount up to a maximum value of £61,277,062 over a maximum period of 7 years from 1 April 2017.
- 1.2 That the Executive Member for Health and Public Health delegates authority to the Director of Public Health, in consultation with the Executive Member to settle final contractual terms and conditions.

#### 2. Reasons for the decision:

- 2.1. Local authorities are mandated by secondary legislation to provide or secure the provision of comprehensive open access sexual health services for their residents.
- 2.2. Current contracts for these services expire on 31 March 2017 (including a 12 month STA).
- 2.3. Approval is required to enable the re-procurement of Level 3 Sexual Health Services in order to have new contracts in place for the 1 April 2017.

#### 3. Other options considered and rejected:

- 3.1. Not to re-procure these services, resulting in the loss of a mandated service to users.
- 3.2. Extending the Single Tender Approval to extend these contracts beyond 12 months, delaying the opportunity to procure.
- 3.3. Offering a shorter maximum contract period, which would reduce the potential to deliver significant improvements to key public health outcomes and drive out maximum efficiencies in the service.
