Grant criteria and eligibility

We will consider funding eligible organisations who fulfill **all** of the following criteria:

-

- **The organisation must have actively sought funding from other sources, this could include district, borough, town or parish council funding. Priority will be given to applications which have partner funding in place from other sources.**
- The proposed programme, project or activity of the organisation is a cultural, community, recreational or community conservation activity/project that encourages and provides opportunities for individuals and communities within Hampshire to participate.
- The programme, project or activity must also support one or more of the Strategic Plan 2013-17 'Shaping Hampshire: modern, public services for the future' priorities detailed above.
- A high quality project, programme or activity that delivers measurable outcomes and results against the priorities set out above.
- The organisation must be able to demonstrate that without the support from Hampshire County Council the activity/event would not be able to proceed at all or to the extent outlined in the application.
- Organisations with significant funds in place or higher levels of reserves must demonstrate why funding from Hampshire County Council is needed.
- The organisation has a clear management structure within its constitution or suitable governance/terms of reference.
- Match funding for business sponsorship.

All organisations requesting support are required to submit their latest Annual Accounts/annual financial summary.

All successful applicants will be required to provide appropriate reporting and/or monitoring for their service, projects and/or activities.

Organisations will be expected to have appropriate policies, procedures and levels of insurances in place. This will include child and vulnerable adult protection/safeguarding policies, health and safety policy, a minimum of £5m Public Liability and £5m Employers Liability Insurance.

Applications to other County Council grant schemes for the proposed project will be considered when reviewing applications.

Business Sponsorship - additional criteria and eligibility

We can match fund business sponsorship up to £300. The sponsorship you are receiving must be monetary, we can not match fund any in kind sponsorship, e.g. free/subsidised marketing. Match funding must be a minimum of £150 per business and businesses **must be first time sponsors**. Maximum of one application per organisation per year.

Financial Eligibility

Organisations will not normally be eligible for grants where they hold a high level of unallocated reserves, particularly in excess of one year's running costs. In cases where reserves held are felt to be high or exceed one year's running costs a reduced level of funding may be agreed. All charitable organisations are expected to have an agreed reserves policy that addresses their financial risk.

Organisations must submit their most recent audited/examined accounts or financial summary when applying to this scheme.
