May	1 formal committee meeting											
June	3 formal committee meetings											
July	2 formal committee meetings											
August	no formal committee meetings											
September	3 formal committee meetings											
October	1 formal committee meeting											
November	3 formal committee meetings											
December	no formal committee meetings											
Total	22 meetings during the year as standard (4 each for the 4 select committee's, 6 for HASC) + any additional convened											
Commentary of Recent and Ongoing Work for Each Committee												
C&C SC	<p>At the November meeting the committee received an update on the Hampshire Cultural Trust, the Olympic legacy and the consultation on the future of the library service. At the September 2015 meeting the committee reviewed the 'transformation to 2017' savings proposals for the culture and community services. In September the committee also pre-scrutinised changes to grant funding for cultural and community organisations, following a task and finish group on grant funding. In January 2016 the Select Committee will pre-scrutinise the culture recreation and countryside revenue budget, and receive an update on the transformation of country parks.</p>											

Key	
	Children & Young People SC
	Culture & Communities SC
	Economy Transport & Environment SC
	Policy & Resources SC
	Health & Adult Social Care Select Committee

C&YP SC	<p>The Committee met in September in order to review the 'Transformation to 2017' proposals, as well as details on recent SEN reforms, and in October to consider planning for the new Standing Advisory Council for Religious Education (SACRE) schools syllabus, an overview of the Ethnic Minority and Traveller Achievement service, and secondary school place planning.</p> <p>It next meets in January in order to review revenue and capital budgets, details of the recommissioning of Child and Adolescent Mental Health services, public health in schools, and home schooling.</p>				
ETE SC	<p>The committee has held a Task & Finish Group on the Parish Lengthsman Scheme, which reported its findings to the October 2015 meeting of the Select Committee and recommendations have been made to the Executive Member for ETE. At the January 2016 meeting the Select Committee will be pre-scrutinising savings proposals affecting environmental highways maintenance, the Economy Transport and Environment Department Revenue and Capital budget for 2016/17 and proposals to consult on Household Waste Recycling Centre Service Efficiencies. The Select Committee will also be considering an update on the A Board licensing trial in Andover Town Centre.</p>				
P&R SC	<p>The Committee considered the transformation to 2017 budget savings and public consultation feedback at the September 2015 meeting and made a recommendation to the Executive Member that further consideration be given to the proposed reduction in member grants budgets. The Executive Member agreed to initiate a review of member grants, which is due to be provided to Select Committee members when available. The committee maintains oversight of the work taking place across the other scrutiny committees. The Committee covered the crime and disorder scrutiny duty at the November 2015 meeting, receiving a presentation on work taking place with partners to provide services for perpetrators of domestic violence. The committee has established a sub committee to consider applications for large grants under the community buildings fund, which will be meeting in early March 2016. The committee will be considering the annual update on IT issues including an update on the digital strategy, at the January 2016 meeting. In January the Select Committee will also undertake the annual pre-scrutiny of the Policy & Resources budget.</p>				

HASC	<p>The HASC continues to meet six times a year, and has recently considered several temporary closures of services, as well as ongoing substantial changes of service, and is monitoring previous issues. A work programme has been agreed which incorporates issues from health, adult social care and public health. The main focus of the Committee over the coming months are issues related to systems resilience and out of hospital care, as well as contributions to a Joint HOSC on the dorset clinical services review, vascular services and health and social care services for north and mid Hampshire. There will be an additional meeting in February 2016 to consider the content and outcomes of the recently published independent report reviewing the deaths of people with a Learning Disability or Mental Health illness in contact with Southern Health NHS Foundation Trust from April 2011 to March 2015.</p>
