

REPORT OF THE
Executive Member for Education
PART II

217. EAST ANTON SOUTH PRIMARY SCHOOL, ANDOVER

1. On 18 March 2016 the Executive Member for Education approved proposals for a new 2 Form Entry (2FE) primary school on land to the south of Smannell Road in Andover, to cater for a maximum of 420 pupils aged 4-11 years, at an estimated cost of £9.5m.

2. East Anton South Primary School is to be located at Augusta Park, to the north east of Andover. The school's net capacity will be 420 pupils with a planned admission number of 60 at year R and is being provided in response to the building of 2,850 new homes across the wider development of East Anton. The provision of a new primary school would meet the growth in pupil numbers. Further housing development is planned and as and when this comes forward, the proposed primary school has been designed to be extended to 3 Forms of Entry (3FE), to meet future demand for school places.

3. It is planned for the school to be completed in phases allowing for part of the school to be occupied and operational from Autumn 2017.
