In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued “Statement of responsibilities of auditors and audited bodies 2015-16”. It is available from the Chief Executive of each audited body and via the PSAA website (www.psaa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. This report is intended solely for the use of the Members of the audited body. We, as appointed auditor, take no responsibility to any third party.

1. Executive summary

The National Audit Office's Code of Audit Practice (the Code) requires us to report to those charged with governance – the Audit Committee – on the work we have carried out to discharge our statutory audit responsibilities together with any governance issues identified. This report summarises the findings from the 2015/16 audit which is substantially complete. It includes messages arising from our audit of your financial statements and the results of the work we have undertaken to assess your arrangements to secure economy, efficiency and effectiveness in your use of resources.

Below are the results and conclusions on the significant areas of the audit process.

Status of the audit	<p>We have substantially completed our audit of the financial statements of Hampshire County Council for the year ended 2015/16. Subject to satisfactory completion of the following outstanding items we will issue an audit opinion in the form which appears in Appendix D.</p> <ul style="list-style-type: none"> • Review of the final version of the financial statements; • Completion of subsequent events review; • Receipt of the signed management representation letter; • Whole of government accounts; and • Final review <p>Subject to completion of the above work above, we have performed the procedures outlined in our Audit Plan and anticipate issuing an unqualified opinion on the Authority's financial statements.</p> <p>We expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.</p> <p>We have not yet completed the procedures required by the National Audit Office (NAO) regarding the Whole of Government Accounts submission. We will update the Committee on progress at the meeting.</p> <p>We expect to issue the audit certificate at the same time as the audit opinion.</p>
Objections	<p>We have received no objection(s) to the 2015/16 accounts from members of the public.</p>
Audit differences	<p>Our audit identified a number of audit differences (principally minor disclosure items rather than misstatements in the underlying Balance Sheet and Comprehensive Income & Expenditure statement (CIES)) which our team have highlighted to management for amendment. At the time of writing this document we anticipate that all such audit differences will be corrected. These adjustments have no impact on the useable reserves position of the Council.</p> <p>Further, we have identified a projected misstatement which we haven't proposed to adjust for. Further details of this misstatement are provided at Appendix A.</p>
Scope and materiality	<p>In our audit plan presented at the 4 February 2016 Committee meeting, we communicated that our audit procedures would be performed using a materiality of £20.3m. We have reassessed this based on the actual</p>

results for the financial year and have increased this amount to £20.6m based on an increase in the underlying gross expenditure result (compared with plan) upon which our materiality assessment was based. The threshold for reporting audit differences which impact the financial statements has also increased from £1,015,000 to £1,032,000. The basis of our assessment is 1% of gross operating expenditure, which has remained consistent with prior years.

We also identified the following areas where misstatement at a level lower than our overall materiality level might influence the reader. For these areas we developed an audit strategy specific to these areas, the areas identified and audit strategy applied include:

- Remuneration disclosures including any severance payments, exit packages and termination benefits. For these disclosures we have tested a sample of remuneration benefits irrespective of materiality.
- Related party transactions. Our related party transaction testing includes a review of known related parties and considers payments made by the council to such businesses. This testing considers such payments irrespective of the quantum of payments made.

We carried out our work in accordance with our Audit Plan. There have been no significant amendments to our Audit Plan as presented at the committee meeting on 4 February 2016.

Significant audit risks

We identified the following audit risks during the planning phase of our audit, and reported these to you in our audit plan:

- Risk of management override.

The 'addressing audit risks' section of this report sets out how we have gained audit assurance over those issues.

Other reporting issues

We have no other matters we wish to report.

Control observations

In line with our Audit Plan, we have tested controls over the following significant processes:

- Procure to pay;
- Accounts receivable;
- Cash and bank; and
- Payroll.

We had initially intended to also test controls over the following processes but reverted to a substantive approach for these systems as it was considered to be a more efficient audit approach upon further consideration of the underlying controls and processes.

- SWIFT;
- CONFIRM; and
- SIMS.

For those systems which were tested, we have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.

We would like to take this opportunity to thank the Council's staff for their assistance during the course of our work.

Executive Director

2. Responsibilities and purpose of our work

The Council's responsibilities

The Council is responsible for preparing and publishing its Statement of Accounts, accompanied by the Annual Governance Statement (AGS). In the AGS, the Council reports publicly on the extent to which it complies with its own code of governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in the year, and on any planned changes in the coming period.

The Council is also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Purpose of our work

Our audit was designed to:

- Express an opinion on the 2015/16 financial statements and the consistency of other information published with them;
- Report on an exception basis on the Annual Governance Statement;
- Consider and report any matters that prevent us being satisfied that the Council had put in place proper arrangements for securing economy, efficiency and effectiveness in the use of resources (the value for money conclusion); and
- Discharge our statutory duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

In addition, this report contains our findings related to the areas of audit emphasis and any views on significant deficiencies in internal control or the Council's accounting policies and key judgments.

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

3. Financial statements audit

Addressing audit risks

We identified the following audit risk during the planning phase of our audit, and reported this to you in our Audit Plan. Here, we set out how we have gained audit assurance over this issue.

A significant audit risk in the context of the audit of the financial statements is an inherent risk with both a higher likelihood of occurrence and a higher magnitude of effect should it occur and which requires special audit consideration. For significant risks, we obtain an understanding of the entity's controls relevant to each risk and assess the design and implementation of the relevant controls.

Significant Risk (including fraud risks)	Audit procedures performed	Assurance gained and issues arising
<p>Risk of management override</p> <p>As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.</p>	<p>Our approach:</p> <ul style="list-style-type: none"> ▶ Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements; ▶ Reviewed accounting estimates for evidence of management bias; and ▶ Evaluated the business rationale for any significant unusual transactions. 	<p>We have completed our planned testing including all procedures from our Audit Plan (and re-summarised here).</p> <p>No issues have been identified as a result of our testing – we have not identified any unusual journals or transactions lacking appropriate business rationale nor have we identified any areas of management bias in the preparation of key management judgments and estimates.</p>

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we are required to communicate to you significant findings from the audit and other matters that are significant to you oversight of the Council's financial reporting process, including the following:

- Qualitative aspects of your accounting practices; estimates and disclosures;
- Matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions;
- Any significant difficulties encountered during the audit; and
- Other audit matters of governance interest.

We wish to report the following matters:

The annual completion of related party declarations, by Members, is an important process via which the Council can demonstrate and ensure the probity of transactions. As at 19 September officers had not received the required declarations from one member.

Control themes and observations

It is the responsibility of the Council to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Council has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

We have tested the controls of the Council only to the extent necessary for us to complete our audit. We are not expressing an opinion on the overall effectiveness of internal control.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.

We have reviewed the Annual Governance Statement and can confirm that it not misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council.

Request for written representations

We have requested a management representation letter to gain management's confirmation in relation to a number of matters, as outlined in Appendix E.

Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

We are currently concluding our work in this area and will report any matters that arise to the Audit Committee.

4. Value for money

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- ▶ Take informed decisions;
- ▶ Deploy resources in a sustainable manner; and
- ▶ Work with partners and other third parties.

Overall conclusion

We did not identify any significant risks for these criteria

We have performed the procedures outlined in our audit plan. We did not identify any significant weaknesses in the Council's arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people.

We therefore expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.

Appendix A – Uncorrected audit differences

The following uncorrected differences, which are greater than £1,032,000, have been identified during the course of our audit and warrant communicating to you.

Balance sheet and Statement of comprehensive income and expenditure

Item of account	Balance sheet (Decrease) / Increase £'000	Comprehensive income and expenditure statement (Decrease) / Increase £'000
Property, Plant & Equipment	(1,958)	-
Accruals	1,958	-
<p>While testing PPE additions, we noted that an addition was over accrued as the invoice had not been received from the supplier. We inspected the supporting valuation certificate and noted that the certified additions totalled £54,116. However the total capitalised was £70,000 resulting in a difference of £15,884. As the error was identified on a sample, we extrapolated it in order to determine the effect it would have on the whole population of PPE additions and the financial statements. As this is a projected misstatement, we haven't proposed an adjustment.</p>

Appendix B – Independence

We confirm there are no changes in our assessment of independence since our confirmation in our Audit Plan dated 4 February 2016.

We complied with the Auditing Practices Board's Ethical Standards for Auditors and the requirements of the Public Sector Audit Appointments Ltd (PSAA)'s Terms of Appointment. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We confirm that we are not aware of any relationships that may affect the independence and objectivity of the firm that we are required by auditing and ethical standards to report to you.

We consider that our independence in this context is a matter that should be reviewed by both you and ourselves. It is therefore important that you consider the facts of which you are aware and come to a view. If you wish to discuss any matters concerning our independence, we will be pleased to do so at the forthcoming meeting of the Audit Committee on 29 September 2016.

We confirm that we have met the reporting requirements to the Audit Committee, as 'those charged with governance' under International Standards on Auditing (UK and Ireland) 260 – Communication with those charged with governance. Our communication plan to meet these requirements was set out in our Audit Plan of 4 February 2016.

Appendix D – Draft audit report

INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF HAMPSHIRE COUNTY COUNCIL

Opinion on the Authority and pension fund financial statements

We have audited the financial statements and the pension fund financial statements of Hampshire County Council for the year ended 31 March 2016 under the Local Audit and Accountability Act 2014. The financial statements comprise the Movement in Reserves Statement, Comprehensive Income and Expenditure Statement, Balance Sheet, Cash Flow Statement, related notes 1 to 33; and include the Pension Fund financial statements comprising the Pension Fund Account, Net Assets Statement and its related notes 1 to 26.

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

This report is made solely to the members of Hampshire County Council, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority’s members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Chief Financial Officer and auditor

As explained more fully in the Chief Financial Officer’s Statement of Responsibilities set out on page 165, the Chief Financial Officer is responsible for the preparation of the Statement of Accounts, which includes the Authority financial statements and the pension fund financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board’s Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Authority’s and the pension fund’s circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Chief Financial Officer; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Statement of Accounts 2015/16 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the financial position of Hampshire County Council as at 31 March 2016 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

Opinion on other matters

In our opinion, the information given in the Statement of Accounts 2015/16 for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we report by exception

We report to you if:

- in our opinion the annual governance statement is misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council;
- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects

Conclusion on Hampshire County Council's arrangements for securing economy, efficiency and effectiveness in the use of resources

Authority's responsibilities

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the National Audit Office (NAO) requires us to report to you our conclusion relating to proper arrangements.

We report if significant matters have come to our attention which prevent us from concluding that the Authority has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resource

We have undertaken our review in accordance with the Code of Audit Practice, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General (C&AG) in November 2015, as to whether the Hampshire County Council had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether Hampshire County Council put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, the Hampshire County Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

On the basis of our work, having regard to the guidance issued by the C&AG in November 2015, we are satisfied that, in all significant respects, Hampshire County Council put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

Pension Fund financial statements

On 30 September 2016 we issued our opinion on the Pension Fund financial statements for the year ended 31 March 2016 included within the Statement of Accounts.

Certificate

We certify that we have completed the audit of the accounts of Hampshire County Council in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.
