1. The decision:

- 1.1. That approval is given to undertake discussions with West Berkshire Council to seek a transitional solution to enable Hampshire residents to retain a level of access to West Berkshire's Household Waste Recycling Centres whilst longer term solutions are considered.
- 1.2. That authority is delegated to the Director of Economy, Transport and Environment to agree the details of the transitional arrangement including any expenditure within existing Departmental resources, in consultation with the Executive Member for Environment and Transport.
- 1.3. That discussions are held with West Berkshire and other neighbouring authorities to agree a common approach to cross border usage for future implementation.

2. Reason for the decision:

- 2.1. To seek interim arrangements where possible for Household Waste Recycling Centre (HWRC) service provision for residents in North West Hampshire while discussions are held with neighbouring authorities on a long term solution to cater for an unexpected reduction in access to the nearest (albeit out of county) HWRC facility.

3. Other options considered and rejected:

- 3.1. The option to not discuss transitional arrangements was rejected as it would result in a sudden and significant change in access to a service without an appropriate period in which to communicate the change and make alternative arrangements.

4.2 Conflicts of interest declared by other Executive Members consulted:
