1 Summary

- 1.1 The LGA Peer Review 2015 took place 23 – 27th November 2015 and a report was issued in January 2016. The organisation developed a Peer Review Action Plan (Appendix A) of key improvement activities to be delivered within specific timeframes to ensure accountability against delivery.

2 Recommendations

- 2.1 That the committee note the progress against the Peer Review Action Plan (Appendix A).

3 Peer Review Action Plan

- 3.1 The aim of the Peer Review Action Plan (Appendix A) is to ensure transparency and accountability for delivery against specified improvement points. Nominated officer leads have been progressing work in their respective areas. In a number of themed areas, Members have become involved with the work providing feedback and member views.

4 Supporting our corporate aims and objectives

- 4.1 Delivery of this Action Plan links directly with our Safer and Stronger Priorities and our organisational mission of making Hampshire safer. Our Action Plan has been shared across the organisation and is in full alignment with the pillars of Fire Reform, transparency and accountability, collaboration and efficiency and workforce reform.

5 Risk analysis

- 5.1 Delivery of the Action Plan will continue to improve the Fire Authority and Service's ability to deliver against its mission. If the Action Plan is not delivered the organisation will not be improving and therefore not delivering better outcomes for our communities.

6 People Impact Assessment

- 6.1 The proposals in this report are considered compatible with the provisions of the equality and human rights legislation.

7 Resource implications

- 7.1 There are no resource implications outside of normal business.
