Topic	Issue	Reason for inclusion	Status and Outcomes	3 November 2016	19 January 2017	Summer 2017 tbc	Autumn 2017 tbc
Real-time Scrutiny - to scrutinise light-touch items agreed by the Committee, through working groups or items at formal meetings.							
20mph Speed Limits Policy	To consider the County Council's policy with regard to implementation of 20mph speed limits in the County.	Deputation received Nov 2013 on this topic. Cttee requested further information before taking a view on the policy.	January 2014 cttee supported policy to undertake pilots, to keep on work programme to review evidence from pilots (and compare to 20mph zones). Cttee recommended additional rural area added to pilots – accepted by EM and added at May 2014 DDay. To allow for all pilots being in place for a year before reviewing. Surveys due to take place summer 2016, evaluation needs to be done.				
Emergency Utility Works	To consider the motion made by Cllr Simpson	Notice of Motion made at full Council in Sept 2014 referred to this committee	Motion considered at January 2015 meeting. Rec to Feb Council re meetings with utility companies with highest levels. (Council agreed recs. Chair and Vice Chair met water companies April 2015) Resolved to review after a year. Update received March 2016. Resolved to invite Thames water				

Topic	Issue	Reason for inclusion	Status and Outcomes	3 November 2016	19 January 2017	Summer 2017 tbc	Autumn 2017 tbc
			to a future meeting. June meeting received further info and agreed it was not necessary to invite Thames Water to attend.				
Trial of A-Board licensing in Andover town centre	To review the Trial	To consider the need for amendments to the existing policy	Report to Executive Member March 2015 suggests the trial be reviewed after four months by the Select Committee (update received Jan 2016, agreed further update once full 12 months of trial period completed, suggested Jan 2017)		✓		
Monitoring Scrutiny Outcomes - to examine responses to the Committee's reports or comments and check on subsequent progress.							
Local Flood Risk Management	Committee requested scrutiny of local flood risk related policies following scrutiny review in 2011	Member interest in scrutinising the County Councils role as Lead Local Flood Risk Authority and associated duties arising from the Flood and Water Management Act 2010	Committee pre-scrutinised the Local Flood Risk Management Strategy prior to approval by the Executive Member in July 2013. An event was held on 9 Dec 2013 involving partner organisations, including a scrutiny oral evidence session to consider the partnership working				

Topic	Issue	Reason for inclusion	Status and Outcomes	3 November 2016	19 January 2017	Summer 2017 tbc	Autumn 2017 tbc
			involved in flood risk management. Report of outcomes approved April 2014. Responses to recommendations monitored July 2014. Follow up event to be scheduled once further clarity on SuDs. Update received at April 2015 meeting. Update received Sept 2015 on catchment approach.				
Highway Contract – new ways of working during extension	To consider opportunities to improve how highway maintenance is carried out and ensure the service is sustainable into the future.	The Highway Maintenance contract is a significant part of the ETE Dept budget and service provision.	Item on the highway contract considered April 2014. Supported an extension to the current contract and agreed to initiate a task & finish group to input to new ways of working to be trialled during the extension period. Recommendations agreed Jan 2015. Update heard April 2015. Update received June 2016 on trials undertaken following recommendations. To retain for future update.			✓?	

Future topics:

- Oct 2015 Cllr Heron request for item on Roads on new developments not being adopted by the highway authority and the issues this presents.
- Community Infrastructure Levy – request at P&R Select Committee to consider how the District Council's are progressing with CIL and the impact this could have on the County Council in future with regard to developer contributions towards infrastructure
