1. Executive Summary

- 1.1. This report summarises the changes to the arrangements for appointing External Auditors following the closure of the Audit Commission and the end of the transitional arrangements at the conclusion of the 2017/18 audits.
- 1.2. The Council will need to consider the options available and put in place new arrangements in time to make a first appointment by 31 December 2017.

2. Contextual information

- 2.1. A paper was presented to the Audit Committee on 23 June 2016 outlining the alternative option for the local appointment of External Auditors available to the Council (Appendix 1).
- 2.2. There was a general consensus that Option 3 – Opt-in to a sector led body would be the preferred option; however some further clarification of this option was requested along with any available benchmarking data of how other local bodies were approaching the appointment process.
- 2.3. A further request was made to determine whether it would be possible for different and/ or similar methodologies of appointment to be adopted with the outcome of different auditors being appointed for Hampshire County Council and Hampshire Pension Fund.

3. Opt-in to sector led body (benchmarking)

- 3.1. In May to June 2015, the LGA conducted an online survey to ascertain the level of support for setting-up of a sector-led body (SLB) to procure external audit on behalf of councils and other bodies by the LGA in the future.

3.2. The survey was sent to Directors of Finance (or equivalent) in all 353 English local authorities, 47 Fire and Rescue Authorities (FRAs), 38 Police and Crime Commissioners (PCCs) and 39 Police Forces. A total of 477 organisations were contacted. A 38% response rate was received overall, and a 42% response rate from councils.

The survey indicated:

- 58% of respondents said their organisation would prefer 'an opt-in sector-wide body for collective procurement set up by the LGA
- 3.3. In response to the consultation on the new arrangement the LGA successfully lobbied for local bodies to be able to 'opt-in' to a Sector Led Body (SLB) appointed by the Secretary of State under the Act. An SLB would have the ability to negotiate contracts with the firms nationally, maximising the opportunities for the most economic and efficient approach to procurement of external audit on behalf of the whole sector.
- 3.4. In July 2016, the Secretary of State for Communities and Local Government specified Public Sector Audit Appointments (PSAA) as an appointing person under regulation 3 of the Local Audit (Appointing Person) Regulations 2015. This means that PSAA can make auditor appointments from 2018/19 to relevant principal authorities that choose to opt into its arrangements; effectively this means that PSAA are the sector led body
- 3.5. The date by which principal authorities will need to opt into the appointing person arrangement is not yet finalised. PSAA have set out that their aim is to award contracts to audit firms by June 2017, giving six months to consult with authorities on appointments before the 31 December 2017 deadline. PSAA anticipate that invitations to opt in will be issued before December 2016 to relevant principal authorities.
- 3.6. A prospectus has been issued by PSAA which provides further information on their appointment and their proposals moving forward (Appendix 2).

4. External Audit appointments for the Hampshire Pension Fund

- 4.1. Hampshire Pension Fund is administered by Hampshire County Council. The Pension Fund is not a separate legal entity and pension funds are not listed as 'relevant authorities' in their own right within Schedule 2 of the Local Audit & Accountability Act 2014. As such there is no statutory basis for a separate auditor appointment.
- 4.2. Therefore the auditor appointed to the administering body (Hampshire County Council), will also audit the Pension Fund. The audit of the pension Fund is however recognised as a separate engagement to the audit of the administering local authority, with a separate scale fee.

5. Conclusion

- 5.1. The Council will need to take action to implement new arrangements for the appointment of external auditors from April 2018.
- 5.2. In consideration of all proposals (Appendix 1) the benefits of the sector-led appointment through Public Sector Audit Appointments (PSAA) would appear to maximise the opportunities to achieve the most economic and efficient approach to procurement and management of external audit provision following the cessation of current arrangements.

6. Recommendations

- 6.1. That Members recommend to Full Council that the future appointment of External Audit for Hampshire County Council as required under the Local Audit & Accountability Act 2014, be undertaken through engagement with Public Sector Audit Appointments (PSAA) as part of a sector-led appointment.
