

Halterworth Primary School and North Baddesley Infant & Junior School catchment changes.

There has been approval for 300 new homes to be built on Hoe Lane in such a way that the new houses effectively extend North Baddesley. Although the previous catchment boundary ran along Hoe Lane, thus the proposed development was in the Halterworth catchment area, it has been agreed that additional provision for children moving into the new houses will be provided at the North Baddesley schools. Therefore the authority proposes a change in catchment area putting the Hoe Lane new houses into the catchment area for the North Baddesley schools. The proposed catchment areas that will apply from September 2018 are presented below.
