1. The decision:

- 1.1. That the Executive Member for Environment and Transport notes the completion of the Newgate Lane North Operational Study and the options recommended in the Study, as set out in Section 3 of the supporting report.
- 1.2. That the Executive Member for Environment and Transport endorses the four staged key options and actions recommended in the Newgate Lane North Operational Study, as set out in Section 3 and 4 of the supporting report, and delegates authority to the Director of Economy, Transport and Environment to undertake a full assessment of the Stage 3 and Stage 4 recommendations, as set out at paragraph 3.3 of the supporting report, prior to committing resources to develop them.
- 1.3. That further work be commissioned to develop an option for localised widening on the approach to the Speedfield Roundabout, and that the Executive Member for Environment and Transport delegates authority to the Director of Economy, Transport and Environment to introduce this as a further Stage (and to determine its priority) in the event that this provides a cost-effective and deliverable solution.

2. Reason for the decision:

- 2.1. The proposed approach will help protect the local economy by ensuring good access to local retail facilities.

3. Other options considered and rejected:

- 3.1. To reject the recommendations of the study. This option was rejected on the grounds that taking no further action would compromise access to local retail

facilities with negative consequences for the local economy and local residents.

4. Conflicts of interest:

4.1. Conflicts of interest declared by the decision-maker: None

4.2. Conflicts of interest declared by other Executive Members consulted:

5. Dispensation granted by the Conduct Advisory Panel: none.

6. Reason(s) for the matter being dealt with if urgent: not applicable.
