Dear Mr Parkinson

The governing body of Samuel Cody Specialist Sports College met last night to discuss moving the site of the school from Lynchford Road, Farnborough to Ballantyne Road, Farnborough.

It was agreed that we work with the L A in bringing about this move for September 2011. This is with the proviso that the buildings will be refurbished to the same standard of provision and resourcing as there are at the current school site.

Please accept this letter as confirmation of our positive response to moving the school.

Yours sincerely

Neil Watkin
Chair of Governors
