Dear Andrew

Annual Audit Fee 2013/14

We are writing to confirm the audit work that we propose to undertake for the 2013/14 financial year at Hampshire County Council Pension Fund. The fee reflects the risk-based approach to audit planning set out in the Code of Audit Practice and the work mandated by the Audit Commission for 2013/14. The audit fee covers the:

- ▶ Audit of the financial statements;

Our fee has been set by the Audit Commission as part of the recent 5 year procurement exercise and consequently is not liable to increase in that period without a change in scope.

As we have not yet completed our audit for 2012/13, our audit planning process for 2013/14 will continue as the year progresses and fees will be reviewed and updated as necessary, within the parameters of our contract with the Audit Commission.

Indicative audit fee

For 2013/14 the Audit Commission has set the scale fee for each audited body. The 2013/14 scale fee is based on certain assumptions, including:

- ▶ The overall level of risk in relation to the audit of the financial statements is not significantly different from that of the prior year;
- ▶ We are able to place reliance on the work of internal audit to the maximum extent possible under auditing standards;
- ▶ The financial statements will be available to us in line with the agreed timetable;
- ▶ Working papers and records provided to us in support of the financial statements are of a good quality and are provided in line with our agreed timetable; and
- ▶ Prompt responses are provided to our draft reports.

Meeting these assumptions will help ensure the delivery of our audit at the indicative audit fee.

The indicative audit fee set out in the table below has initially been set at the scale fee level as the overall level of risk in relation to the audit of the financial statements is not significantly different from that of the prior year.

	Indicative fee 2013/14 £	Planned fee 2012/13 £	Actual fee 2011/12 £
Total Code audit fee	31,743	31,743	46,500

Any additional work that we may agree to undertake (outside of the Audit Code of Practice) will be separately negotiated and agreed with you in advance.

We expect our audit plan for the audit of the financial statements will be issued in March 2014. This will detail the significant financial statement risks identified, planned audit procedures to respond to those risks, and any changes in fee. Should we need to make any significant amendments to the audit fee during the course of the audit, we will discuss this in the first instance with the Director of Corporate Resources and, if necessary, prepare a report outlining the reasons for the fee change for discussion with the Audit Committee.

Billing

The indicative audit fee will be billed in 4 instalments of £7935.75.
