

**Knightwood Leisure Centre, Valley Park. ACSO patrols.**

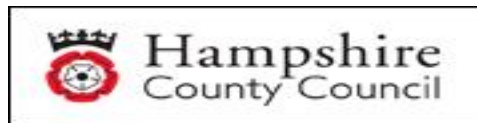

**15<sup>th</sup> and 22<sup>nd</sup> of October**

Valley Park has been experiencing some ASB problems, Underage Drinking and criminal Damage caused through people being irresponsible through intake of alcohol.

The plan on the 15<sup>th</sup> of October was to be out on the ground on Bike Patrol from 1500hrs to the end of our shift. The aim was to observe, stop and confiscate alcohol from youths underage before they had the chance to drink it. Rather than later patrols where we found most of our time spent trying to deal with youths already in drink and causing ASB.

Below are timelines of the incidents that the ACSOs involved came up against alongside the actions that were taken. Because of the amount of incidents on the 15<sup>th</sup> it was decided to repeat the exercise on the 22<sup>nd</sup> as well.

Please go to the bottom of the document if you just wish to see a break down of the table below.

**On the 15<sup>th</sup>** myself and ACSO 039 (Jason Sahota) confiscated 100 containers of Alcohol issuing 23 Yellow cards. Some of these were repeat offenders in the same evening with 2 separate individuals being issued 3 yellow cards each for drinking at different times of the evening. These two are being put forward for ABCs.

One other youth admitted his mother had bought him the alcohol and so we had the Police carry out a house visit and issue a warning to the mother stating that if she did that again she would receive an £80 fine.

**On the 22<sup>nd</sup>** 35 containers were confiscated with a total of 10 Yellow cards being issued. Some of these were repeat offenders from the previous week meaning that the Yellow card warning letters had not been acted on by the parents or just ignored by the youths.

From these two weekends 4 definite and 8 possible youths will be referred for an ABC (Acceptable Behaviour Contract) to the relevant Council.

Since these weekends have passed we have had one youth arrested for Cannabis Possession and another Parent being warned by Police regarding the purchasing of Alcohol for there child and there friends.

Further work needs to be done with regards to parental purchasing of Alcohol and also the proxy sales in Valley Park by young adults who go to Knightwood Leisure Centre and supply to underage youths.

The 1500hrs start times on Fridays will become standard practice for the ACSOs until this issue is resolved.
