Details of the Bid / Project

| | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Title of Bid/ Project | ACSO Alcohol Early Intervention programme - Petersfield |
| Summary of Bid/ Project | To provide some additional support programme's to give more information around the offences and penalties involved to those supplying alcohol to underage. This would be done by way of an early intervention programme made available to the parents / guardians of those individuals issued a Yellow Card for underage drinking. This we believe would provide the parent / guardian with the knowledge they require to make an informed decision in the future. |
| How does the Bid meet the HATs Term of Reference? 1) To tackle economic, social and health inequalities in the local area 2) To support the delivery of Hampshire's improvement priorities within the Hampshire Local Area Agreement* 3) To support local highways and transport priorities** | Reduce incidents involving underage drinking by giving parents/guardians more information around the supply of alcohol and the health implications to their child. Thus allowing them to make a more informed decision This project would support a number of strands in Theme E, including Reduce anti-social behaviour <input type="checkbox"/> Improve confidence in the Police and local councils in tackling issues of concern <input type="checkbox"/> Reduce alcohol related public violence N/A |

|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Timescale (What is the anticipated period over which the money will be spent?) | Commencement Date: TBC Completion Date: TBC |
| Intended Outcomes (How will the success of the bid/project be measured?) | Reduction in incidents numbers involving underage drinking where alcohol was obtained from home. And an overall reduction in alcohol related incidents involving underage youths with parents being more involved. |
| Future Funding Arrangements (If the project is to last more than a year how will it be funded in subsequent years? How will any outcomes achieved by the project be sustained in the longer term? If it is a capital scheme how will the equipment be maintained?) | The initial Financial outlay is for equipment and materials, once this is in place the plan will be to continue the scheme in subsequent years managed by our team. Staffing and maintenance of equipment will be done through the Community Safety Service. |
