Details of the Bid / Project

Title of Bid/ Project	Essential upgrade of floor
Summary of Bid/ Project	Our workshop and offices are approx 2,400 sq ft and the workshop floor requires an upgrade to meet best practice on Health and Safety ie to include for example anti slip material.

<p>How does the Bid meet the HATs Term of Reference?</p> <p>1) To tackle economic, social and health inequalities in the local area</p> <p>2) To support the delivery of Hampshire's improvement priorities within the Hampshire Local Area Agreement*</p> <p>3) To support local highways and transport priorities**</p>	<p>2. Adult Social Services have about 300 – 400 people in the Basingstoke area with a Learning Disability and are in need of “Day Opportunities”. At present we are funded by HCC on a Block Contract for 50 places per week. As of 31/03/11 this funding will stop and be replaced by “SPOT” purchasing unless are Service Users have been assessed for Self Directed Support (Individual budgets). Health and Safety and best practice going forward has placed our social enterprise under enormous financial pressure. This grant would enable us to meet all the new requirements and provide a first class environment for our Adults with special needs who gain significant benefit from their work experience in our workshop. This experience provides them with a safe environment, social experience and feel they are giving a valuable contribution to society and local companies in Basingstoke .</p>
<p>Timescale (What is the anticipated period over which the money will be spent?)</p>	<p>Commencement Date: Mar 2011</p> <p>Completion Date: April 2011</p>
<p>Intended Outcomes (How will the success of the bid/project be measured?)</p>	<p>Protection of our Service Users from accidents and ensures that the Charity meets Health and Safety requirements and best practice.</p>
<p>Future Funding Arrangements (If the project is to last more than a year how will it be funded in subsequent years? How will any outcomes achieved by the project be sustained in the longer term? If it is a capital scheme how will the equipment be maintained?)</p>	<p>We have been a Charity since 1976. We have 3 revenue streams:</p> <ol style="list-style-type: none"> 1. Employers in Basingstoke 2. Our Service Users 3. Charity Donations <p>These are “one of” costs resulting from changes to Health and Safety and best practice.</p>

* Further information on the LAA can be found at the following website - <http://www3.hants.gov.uk/localareaagreement.htm>

** Any approved bids for highways/transport projects will require liaison with the Executive Member for Environment.
