**1. The decision:**

- 1.1. That funding is approved from Planned Revenue Repair sources to refurbish two science labs at Fernhill School following burst water pipes in asbestos lined underfloor ducts preventing normal repairs.

**2. Reason(s) for the decision:**

- 2.1. To undertake works to allow full use of the two science rooms by the school from September 2016. Works required are the replacement of fixed furniture and flooring and re routing gas, electrical and water service pipework and controls. Works will enhance the two rooms and remove a condition liability from the Estate.
- 2.2. Works costing just under £100,000 fall outside of the normal reporting cycles. To allow works to proceed over the school summer holidays delegated funding is sought. Funding has been highlighted from contingency within the budget.
