ADDENDUM

In circumstances where the membership of the County Council includes Members who are not part of a political group the provision of Regulation 16 of the Local Government (Committees and Political Groups) Regulations 1990 come into effect.

Regulation 16 amends Section 15 (3) of the Local Government and Housing Act (“the Act”) to provide that the County Council should

- i) establish what percentage of the total County Council membership is represented by the three political groups within the County Council
- ii) allocate the corresponding percentage of the total number of seats to Members of these groups.

The duty to allocate any unfilled seats is subject of the duty contained within Section 16 (2A) of the Act. In this case Section 16 (2A) of the Act requires that the seats that have not been allocated under Section 15 (3) should be filled by Members who are not Members of a political group.

The unallocated seats should therefore be allocated to Members of the County Council who are not Members of one of the political groups. The specific seats to be allowed to these Members is within the discretion of the County Council but the seats should be allocated between the unaffiliated Members.

The County Council’s practice is that the Leader’s of both political Groups allocate their seats and the unaffiliated Members are considered and allocated seats as part of that process.
