### 1. Executive Summary

- 1.1. This report considers applications for partnership funding for 2010/11 from the six independent charitable Outdoor Centre providers (including the Hampshire Red Cross). Funding for Marwell Wildlife Education, also part of this group, will be considered in a separate future report. This report recommends the distribution of a total of £135,400 in 2010/11 as follows:

Centre	Amount £
Avon Tyrell Outdoor Centre, Ringwood	6,400
Countryside Education Trust, Beaulieu	47,130
Privett Centre, Privett, near Petersfield	28,400
Queen Elizabeth II Silver Jubilee Activity Centre, Bursledon	13,200
British Red Cross, (Hampshire Branch)	4,050
Gilbert White Field Study Centre, Selborne	36,220

### 2. Background / Contextual Information:

- 2.1. The six identified organisations are invited to apply for annual partnership funding to assist them with their essential running costs, with base levels affirmed by the Select Committee Review of 2009. The support enables them to deliver outdoor education to Hampshire young people in support of the Hampshire Outdoor Service 2008/11 Strategy, CCRA Service Plan Themes and Priorities and in support of the Corporate Priorities, specifically relating to 'Enhancing our quality of place'.
- 2.2. A review of grant aided Outdoor Centre provision across Hampshire County Council was undertaken by the Culture and Community Scrutiny Committee in the summer of 2008, agreed by the Executive Member for Policy & Resources in January 2009, and this set the funding base line and criteria for future assessment (Para. 3)

- 2.3. The 'score sheet' (see appendix 1) sets out specific criteria and has been used to assess the contribution of each centre for 2010/11 in to overall Corporate Priorities. In addition, each centre has submitted a comprehensive application form setting out their operational and budget situations. Summary Business Plans exist for each centre. In addition, each centre is being encouraged to seek other funding opportunities. A summary of all the partnership funding applications is set out in appendix 2 with recommended funding levels.

**3. Budget Position:**

- 3.1. The base budget provision for this partnership funding in 2010/11 is £135,400.

**4. Criteria of Grant:**

- a. Strategic fit with Corporate Priorities
- b. Strategic fit with Educational/Children's Services Priorities
- c. Fit with centres provided by HCC
- d. Value for money as measured by the level of subsidy apparently provided by HCC
- e. The vigour with which the centre appears to improve its level of income from sources other than HCC
- f. Culture of innovation in course development/outdoor experience and delivery

**5. Other Considerations:**

- 5.1. It is affirmed that these grants contribute significantly to services for Young People provided by Hampshire County Council.
- 5.2. It is affirmed that the overall work of the centres noted contributes significantly to the outcomes explicit within the 'Children, Young People and Families' Theme within the CCRA Business Plan for 2010 onwards, specifically:
- a. The 'universal service' is developed in response to the needs of CYP & families
  - b. There are increased levels of participation by under-represented groups
  - c. Children in care, disabled children and socially disadvantaged groups have improved opportunities for personal development and to take part in leisure and recreational activities

**6. Recommendations:**

- 6.1. That approval is given to the above partnership funding recommendations for 2010/11.
