£0	Solent Area Basketball Association	£2,000	£2,000	<p>This partnership funding would support the association in delivering a programme to young people aged 16-19. It is noted that this is an age group where there is a significant drop off in participation.</p> <p>The project will operate through Colleges and allow a group of friends to come together and play in an organised yet informal environment where referees are provided. This approach removes the pressure to attend regular training and acknowledges a preference amongst this target group to play competitively.</p> <p>All players would be affiliated to the Governing Body and a targeted number will be provided the opportunity to gain refereeing qualifications which will further support the programme.</p> <p>This project supports the corporate priority of maximising wellbeing and the sports strategy vision³ of inspiring more people to be more active more often.</p>
