1. Executive Summary

- 1.1. The purpose of this paper is to seek approval for the Project Appraisal report for the implementation of accessibility improvements, costing £382,000, on Bramley Lane, Bramley, near the primary school.
- 1.2. This paper explains the background to the scheme for which approval is sought for implementation. It also explains how the scheme fits into the package of improvements proposed in Bramley, some of which have already been implemented, while others will be submitted for approval under a separate report later this year. This scheme, along with the other schemes in the package of improvements, is wholly externally funded from developer contributions. The scheme fulfils The County Council's corporate priority of making Hampshire safer and more secure for all.

2. Recommendation

- 2.1 That the Project Appraisal for the implementation of accessibility improvements, costing £382,000, on Bramley Lane, Bramley, near the primary school, be approved.
