<p>Intended Outcomes (How will the success of the bid/project be measured?)</p>	<p>Work will provide costings and design to inform application for capital bid</p>
<p>Future Funding Arrangements (If the project is to last more than a year how will it be funded in subsequent years? How will any outcomes achieved by the project be sustained in the longer term? If it is a capital scheme how will the equipment be maintained?)</p>
