2. Reasons for the decision:

2.1. To ensure that Hampshire County Council has agreed priorities for strategic transport infrastructure in Basingstoke that fits with supporting economic growth in the area over the next 20-30 years.

2.2. To ensure that Hampshire County Council and its key partners are well placed to take opportunities for funding opportunities as they arise.

2.3. To ensure that the County Council is well placed to feed into the development of other related strategies, and in particular the LEP Strategic Economic Plan over the next few months.
